## ELLWOOD CITY POST OFFICE CONTRACT LET

### New Brighton Contractor Is Given Award

Expect Work On New Ellwood City Post Office To Start At Once

### LIMESTONE WILL BE MATERIAL USED

Bid For Structure As Accepted By Government Is \$77,388

By ARTHUR C. WIMER  
Special Washington Correspondent,  
WASHINGTON, D. C., Sept. 24.—Announcement was made today by the United States Treasury Department of the awarding of the contract for the new Ellwood City post office building to the R. B. McDanel Company of New Brighton.

The building will be constructed of limestone, the bid of the McDanel Company for this type of building being \$77,388, the lowest submitted.

Actual construction work is expected to be started at once, the treasury department announced.

Intimation that the contract would be awarded, possibly today, was contained in a letter received this morning from Congressman J. Howard Swick by the architects, H. H. and L. H. Thayer of this city.

This letter was a copy of one received by Congressman Swick in regard to the contract from James A. Weimore, acting supervising architect at Washington, D. C.

The letter follows:  
Congressman J. Howard Swick,  
My Dear Congressman:

## PA NEW OBSERVES

One North Hill man who has been sleeping on his front porch since summer started, awoke this morning to feel the uncomfortable snap in the air. He's almost decided that last night was the final sleeping-out night for him.

Pa New happened into the West Side school building this week while an annual "Flower Day" celebration was on. He paused long enough to witness the assembly program given by trained pupils rehearsed under the direction of the teachers. If ever you care to see or hear a student program at any of the schools, drop in and you'll enjoy them. You'll appreciate the schools a great deal more.

Not in the past few summers has golf ever interested so many players of the different civic clubs. This vacation saw tournaments or some type of matches backed by the Rotarians, the Kiwanians and the Lions. Some of the tournaments are just ending.

This buckeye season is the heyday for the children. Last night we saw a crowd concentrated around two such trees on the North Hill. We're told those two trees have drawn kids for the past 20 years. Some older residents would remember that.

Frosty nights are near at hand now, and only the fact that it was partly cloudy last night, averted one, Pa New believes. The temperature got down to 39 degrees during the night.

Be sure and turn the clock on eleven hours, or turn it back one hour before retiring tonight, if you have been observing the daylight time savings schedule during the (Continued On Page Two)

### Report Several Signs Of Industrial Betterment

(International News Service)  
The tri-state district of Pennsylvania, Ohio and West Virginia showed signs of industrial betterment today.

At Sharpsville, Pa., plans were about completed for the reopening of the local plant of the Valley Mould and Iron Corporation, idle for more than two years.

Full time resumption at the Newell, W. Va., plant of the Edwin M. Knowles China Company within the next ten days was announced. Jobs for 750 men will be provided.

A total of 150 men will be employed on state-aided road projects in Washington county.

The Stevenson Company at Wells-ville, Ohio, will resume operations in its machine shop next week. The shop has been closed for a month.

The Homer Laughlin China Company at Newell, W. Va., has recalled 400 men to its tunnel kiln plant.

### MERCY OF COURT ASKED FOR ELLISON

### Trial Of Alderman William E. Marshall Scheduled To Start On Monday

Morris A. Hecht, Pittsburgh private detective, and Constable James A. Ellison of this city, were found guilty this morning on a charge of conspiracy in connection with their prosecution under the fictitious names of the jury recommended by Ellison to the mercy of the court.

The case went to the jury about 4 o'clock Friday afternoon after a charge by Judge J. A. Chambers, which he reviewed the evidence and pointed out the law applicable to such cases. The jury reached an agreement shortly after midnight, and the verdict was returned when court convened at 9 o'clock this morning.

(International News Service)  
PHILADELPHIA, Sept. 24.—Crazed by failure to find employment, Appollo Speranti, 40, hacked his wife to death with a hatchet today, opened gas connections, fired the couple's home and was probably fatally injured when a terrific explosion wrecked the little two-story dwelling.

Firemen who rushed to the scene found Speranti's wife, Helen, 35, slashed and hacked, lying on the floor of her bedroom. She died a few moments later.

Speranti, suffering from probably fatal burns and from inhalation of gas fumes, was taken to Temple University hospital.

Neighbors said Speranti had been acting queerly for a week and had complained bitterly of his failure to find work.

(International News Service)  
AKRON, O., Sept. 24.—Furnished with a complete description of the murderer, police today scoured streets of Cuyahoga Falls for a jealous lover of Mrs. Edna Stewart, 38, divorced mother of three children and a clerk of the Summit county juvenile court, who was shot and killed in front of her home in the suburb late last night.

The killer, police were told, fired from behind a post on the porch at Mrs. Stewart's home as the woman and a male companion were leaving an automobile in front of the residence. At close range, the man discharged three bullets and then fled in an automobile.

Two of the bullets struck Mrs. Stewart near the heart. She was believed to have died instantly.

A jealous motive for the crime was investigated along with another theory that the murder might have resulted from revenge on the part (Continued On Page Two)

TOKYO, Sept. 24.—Three Japanese goodwill fliers were bound for the United States today after taking off from Sabishiro Beach at 5:37 a. m. Their plane was last reported over the Kurile Islands at 10 a. m.

Weather conditions were reported good. The fliers were expected to reach the first stopping place, Nome, Alaska, within 30 hours of the take-off.

The Tokyo newspaper Hochi Shimbun sponsored the flight, which is being made by E. Baba, pilot, navigator Honma and radio operator Ishita.

### MURDERS WIFE AND TWO SONS; THEN SHOOTSELF

(International News Service)  
WILMINGTON, Del., Sept. 24.—Tragedy shattered Wilbur Hart's 13th birthday party plans today when his father, a huckster, shot and killed the youngster, another son, Charles, 21, the boys' mother, Laura, and probably fatally wounded himself.

The father, George, 45, was rushed to Delaware hospital where attaches said he had small chance of recovery.

Police said they believed the triple murder and probable suicide was motivated by despondency over financial difficulties.

(International News Service)  
BELLEFONTE, Pa., Sept. 24.—State and county authorities today searched for five convicts who escaped from Rockview penitentiary last night after attacking a guard, Michael Kersavage, and inflicting minor injuries.

Two of the escaped men are white. The other three are Negroes. Kersavage was rushed by the quintet last night as he swung open a cell block door to let in a prisoner who had been working outside the main building after dusk.

Still At Liberty  
After knocking Kersavage to the ground, the five prisoners fled through the open door. No trace had been found of them today. All roads in this vicinity were under police scrutiny.

Those who escaped are Jesse Ashcroft, Walter Gordon, both serving 20 year terms, and Frank Scott, serving five to 10 years, all sentenced from Allegheny county; James West, Philadelphia, serving a sentence of twenty six and one half to 35 years for robbery, and John DeSimmons, Erie, three and one half to seven years for breaking and entering.

### Fund Largely For Relief Use In Chicago—Relief Stations Remain Open

(International News Service)  
WASHINGTON, Sept. 24.—Illinois today was loaned an additional \$5,000,000 by the Reconstruction Finance Corporation with which to take care of its hungry and destitute.

The loan is to carry Illinois, and principally Chicago, from today until October 24. It was granted just in time to prevent closing relief stations in Chicago.

The original application was for \$9,050,000 with which to carry on until the middle of November. The delegation here yesterday, headed by Mayor Cermak, agreed to the reduction in the amount and the reduction of the time for its effectiveness to one month.

The money became available today through the Chicago Federal Reserve Bank.

### Pennsylvania Will Likely Refuse To Relinquish Rich New England Holdings

(International News Service)  
NEW YORK, Sept. 24.—Railroad officials said today it would probably be several years before a final consolidation would be effective among the four leading railroad trunk lines in the east, following acceptance of the interstate commerce commission's merger plan late yesterday.

The Pennsylvania railroad will probably refuse to relinquish control of the Boston and Maine, and the New York, New Haven and Hartford railroads, leaving that phase of the consolidation unsettled.

In a brief statement, the heads of the Baltimore and Ohio, the New York Central, the Chesapeake and Ohio and the Pennsylvania Railroad companies said they had "agreed and composed all differences between themselves" arising from the plan but added:

"The four-system plan does not include the New England lines except the Boston and Albany railroad, and therefore the question was not considered."

(Special To The News)  
BEVERLY HILLS, Cal., Sept. 24.—We all, out here in Los Angeles, are going to wake up in the morning with nothing on our hands but a presidential candidate.

Mr. Roosevelt, a very fine, high class man, win, lose or draw, is out here shaking these lemon trees to try and bring down some Republican fruit that might fall in the Democratic basket, among the oranges.

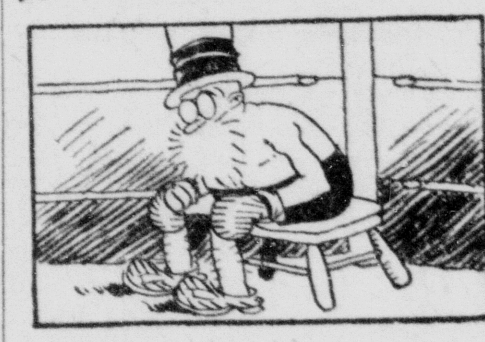

This is a year that will bring out lots of votes. For the voter has nothing to do but vote. His 1932 employment consists entirely of voting.

This is Mr. Hoover's home state, and we want to welcome him, too, in case he decides to come out in any rebuttal testimony.

# AGREEMENT MAY END GANDHI'S FAST

## Expect Pact Will Be Signed Tonight

Gandhi Now In Fifth Day Of His Self Imposed Fast

### ELECTORAL CHANGES PLANNED FOR INDIA

By C. S. DE ANDRADE  
International News Service Staff Correspondent  
POONA, India, Sept. 24.—A full agreement on electoral provisions for India's depressed "untouchables" was reached at Yeravda jail today, portending an early end of Mahatma Gandhi's "fast unto the death."

Caste Hindu and "untouchables" leaders immediately began preparation of a pact adjusting their differences to be signed tonight in the presence of Gandhi.

The conferees cabled Prime Minister J. Ramsay MacDonald of Great Britain announcing their agreement, and asking immediate government approval.

Such approval would automatically change the government's electoral program for India, against which the aged Mahatma is protesting by his fast, now in its fifth day.

Gandhi, very weak and suffering from dizziness and nausea, was cheerful at the news, although it was believed he would not end his hunger strike until Monday or Tuesday at the soonest. It was believed it would take at least this much time for the British government to carry out the necessary formalities.

There was the possibility that Gandhi's millions of followers, fearful for his health, would succeed in persuading him to end the fast before Britain alters its electoral program in view of the agreement reached here.

It was pointed out, however, that Gandhi repeatedly declared his fast would end only when Britain acted.

ment found their way into the personal bank accounts of Davis.

That the order's magazine carried stories of Davis approving the work done on the charity ball.

That the tickets printed for the two affairs were distributed through the mails and transported from state to state.

That a package of tickets was consigned to Davis at his home lodge in Pittsburgh and signed for by Fred W. Jones, his alleged "financial agent."

**Defense Contentions**  
Against this array of evidence defense counsel contends that Davis was unaware of the details of the charity balls, did not see any of the tickets, and that his "organizing" contract was turned over to somebody else during a conference of August, 1930.

Chief Defense Counsel Charles J. Margiotti of Piquetteburg, Pa., attempted to show under cross-examination of witnesses that the checks traced to the bank accounts of Davis were for debts owed the director general.

Miller and McGuire are also under indictment, but Davis obtained a separate trial due to his desire to have the charges against him decided before election day. The senator is running for re-election. If convicted, the defendant faces a maximum penalty of 20 years in prison and a \$28,000 fine.

## PA NEW OBSERVES

(Continued From Page One)

past summer. Daylight time saving ends tonight. Eastern Standard time will be observed starting Sunday morning.

Charles Williams of Portersville R. F. D. No. 3 brought three fine ears of squaw corn to The News office which he raised from seed secured from Fred L. Rentz. The seed had been brought here several years ago by Mrs. David Jameson, who secured several ears of the corn in the Black Hills district in South Dakota. It is vari-colored, red, purple and white.

That ground ball game, or outdoor bowling, seems to have a great many followers among the foreign-born people here. A group was playing the strange game yesterday afternoon at the corner of South Mill and East Division streets.

Pa New saw a boy patiently fishing from the railroad bridge near the Gardner avenue viaduct Friday afternoon. It took a mighty long line to reach to the water from there. And it would take a mighty persuasive woman to make the fish believe it a good idea to swallow hooks on Friday, of all days.

The safety zone lines at the corner of the North Street bridge are getting a new coat of paint. Previously the color has been orange but this time the lines are being painted white.

Young Pa New was interested Friday when he saw one of the men who work for the city on the Neshannock Creek project, calmly place a small kitten in his coat pocket and then hang the coat on a peg on the telephone pole.

Young Pa New has seen live colts being taken for a ride in large trucks but he had never seen one (except in the funny paper) being hauled in an automobile until today. He observed it coming down Croton Avenue. Evidently it was being brought in from the fair. There was a man sitting in the back seat with the colt and believe me he was certainly sticking close to his side of the seat.

While Pa New was in the seventh ward, yesterday, he saw a rather odd sight. A man was driving a car which had a sign labeled "Funeral" fastened on the windshield while fastened on the back end of the car was a trailer which had a large quantity of sheep's wool loaded on it.

Pa New noted that the Ben Franklin gridders were in action this morning, playing a picked up team from the neighborhood. The boys were playing a nice close game of football.

Work is going forward rapidly in setting back the telephone poles and changing the gas and water lines into properties along East Washington street, which is being widened between County Line and Ray streets. The sidewalks are going to be pretty narrow and two good sized people will have a hard time walking abreast when they pass the telephone poles.

One of the most commendable projects undertaken in the community is being completed today, when the big canning project will be finished. Those who have been canning will turn out twice the amount put up last year, because of the highly efficient system used this year.

There was just one mishap at the Fair's rodeo this year—a young lady rider fell off one of the steeds and received some bruises and scratches that were dressed at the Jameson Memorial hospital. Nothing serious, though, and she was able to leave soon afterward.

A dozen or more Troop F horses were ridden over North street this morning, enroute home from the fair grounds on the Harlansburg road.

Another 'smithy. The News, it appeared today, had found a second veteran blacksmith who pounds iron anvil here, and learned that "Bill" Marquis is not alone in his practice of the trade. Isaac Ginsberg, 1130 Moravia street, hasn't let up once in his blacksmith work during the last 30 years. He's still hard at it!

"Religious education week," a nation-wide observance, will open Sunday and continue for a week. Churches will doubtless recognize it in some small way.

with the cases. It was finally agreed to bring in a verdict of guilty with a recommendation for mercy.

Hecht's contention was that he was engaged in making collections for a Pittsburgh jewelry firm, and had merely picked up the cases of fictitious names, and turned them in to the alderman while doing his other work.

Trial of Alderman William E. Marshall before whom the informations were made is scheduled to be taken up at court on Monday morning. It is expected that the testimony in this case will be largely the same as in the other case, as all grew out of the same transactions. The cases have served to focus the attention of the public on the fictitious names act. Many individuals and firms who have been doing business under a fictitious name, were unaware of such a law until the prosecutions in these cases were started. Steps have been taken by these firms to register.

The pumpkin was grown on Henry Ford's farm at Sudbury, Mass., but one could hardly call it a flivver variety.

## Award Contract For New Bridge

Albert Dahl Of Ellwood Low Bidder For Structure Over Hetttenbaugh Run

Albert Dahl of Ellwood City was found to be low bidder for a bridge over the Hetttenbaugh run in Hickory township when bids were opened by the county commissioners and County Controller McCaslin at noon today.

Dahl's bid was \$3,292. There was a wide variation in the nine bids submitted. The bids were as follows:

Albert Dahl, Ellwood City, \$3,292.  
V. C. Minter, New Wilmington, \$3,400.  
J. A. Byers, New Castle, \$3,540.  
Purdy & Sanders, Clinton, \$3,550.  
William Herge, Ellwood City, \$4,673.  
Minnotte Bros., Pittsburgh, \$3,720.  
E. F. Scanlon, New Castle, \$3,860.  
Burns & Ferry, New Castle, \$4,227.55.

Speaker Construction Co., Youngstown, O., \$4,600.

The bridge is to be a reinforced concrete structure to take the place of a bridge which was knocked into Hetttenbaugh run by a motorist whose car hit one corner of the bridge.

Police reported that the wounds in the dead man's head appeared to have been self-inflicted, possibly in an attempt to commit suicide. He was rushed to St. Thomas' hospital where attaches said he had only a slight chance to recover.

### Local Delegation At Butler Meeting

Many National And State Officers At V. F. W. Tri-County Meeting

A large delegation of local members of the Veterans of Foreign Wars and Ladies Auxiliary were in attendance Thursday at the Tri-County Council meeting of the two organizations held in Butler. Those attending had a very delightful time.

The feature of the Tri-County meeting was the presence of an unusually large number of state and national officers of the V. F. W. Auxiliary. The business meeting was held in the armory and the prominent officers in attendance were:—Mrs. Margaret Armstrong, past national president, Mrs. Ida May Stanford, past state president, Mrs. Myrtle Sutherland, national

planner, Mrs. Genevieve Schaaf, state treasurer, Mrs. May McGuire, past national conductress and Mrs. Burdard in charge of the V. F. W. Hospital work in Pittsburgh, all of Pittsburgh; Mrs. Mable Lyons of McKeesport, president of the McKeesport auxiliary, Mrs. Twila Bolt, state conductress and president of the Tri-State County Council and Mrs. Evelyn G. Woods, state patriotic instructor.

Following the business meeting the entire group adjourned to the Legion Home, where a very pleasant social time was spent. Luncheon was served at the Legion Home after which a pleasant social time was enjoyed by all with cards and dancing as the chief diversion.

There is this—though not a great deal else—to be said for the average campaign song—it wasn't lifted from the melodies of Franz Schubert.—The Des Moines Register.

Employment in college towns is reported scarcer than it has been in years. Yet, if worse comes to worst, the boys can try subscribing to one another's magazines.—The Richmond Times-Dispatch.

## GOLDEN WEDDING EVENT ON FRIDAY

The observance of the golden wedding anniversary of Mr. and Mrs. James Taylor of the Harlansburg road, last evening was a very pleasant affair. A stream of friends started to come to the Taylor home and pay their respects and extend their congratulations shortly after 6:30 p. m. and a very enjoyable time was spent until 10:30 p. m.

Rev. Thomas Francis, a cousin of Mr. Taylor, was elected toastmaster and he carried out the duties in an efficient manner. Evan Hopkins sang several solos with Councilman D. O. Davis accompanying him on the piano.

The congregated friends also sang several numbers, opening with "Guide Me, O Thou Great Jehovah" and closing with "God Be With You Till We Meet Again." Practically all present made short addresses of congratulations and extended their best wishes for the future.

A large number of cards and letters had been received and the following sent their felicitations in poetry: W. A. John (Brython), William Phillips, David T. Evans and Griff Thomas.

The home was decorated with a profusion of cut flowers, the gifts of friends and neighbors. Many gifts of gold were also given the happy couple.

Mr. Taylor is one of five generations now living. His mother, Mrs. Philip Taylor, 88 years of age, is still hale and hearty at Morristown South Wales. The Taylors are parents of nine children and also have twenty-two grandchildren and one great grandchild.

Mr. and Mrs. Taylor are faithful members of the First Congregational church and the former delights in walking to and from church on week days and Sundays. At the close of the meeting, his pastor, Rev. Rees T. Williams, delivered the gathering with a fervent prayer for the couple on their entry into the second fifty years.

Members of Shenango and Cathedral chapters are invited to participate on this occasion.

## MOTHERS' CIRCLE AT WITHERS HOME

One of the pretty early fall events of Friday was the luncheon in the home of Mrs. E. M. Withers, on the Harlansburg road, when she entertained the members of the Mothers' Circle of the First Methodist church.

The table was handsomely decorated with fall flowers and places were arranged for twenty women, with Mrs. Frank McArthur in charge.

The afternoon hours were most informal, the women enjoying a period of general conversation.

Mrs. J. C. Lechner, Highland avenue, will be hostess to the members for the next meeting.

## MEDICAL AUXILIARY GUESTS AT WOMER'S

On Friday afternoon Mrs. W. A. Womer, Highland avenue, received members of the woman's auxiliary of the Lawrence County Medical society in her home. This marked their first regular session of the fall season.

A business session opened activities when Mrs. E. F. Henderson was appointed as delegate and Mrs. James D. Crawford as alternate for the national convention to be held in Pittsburgh October 3-6.

The balance of the afternoon was spent socially with cards, with approximately 25 participating. Before departing, the hostess, assisted by her daughter, Mrs. Margaret Womer Leonard, served tempting refreshments at the individual tables. Fall tones prevailed in the appointments throughout.

It was decided to hold sessions of this organization regularly on the third Tuesday of each month, the place of the October event to be announced.

## Auxiliary Dinner.

A tureen dinner featured the meeting of the Auxiliary to the American Legion Perry Gaston Post 343 in the Legion Home Friday evening, with Mrs. David Cox and Mrs. Seth Teets in charge.

After a delicious menu had been served Mrs. E. J. Suber, the retiring president, called a business meeting and reports were given of the past year, which was one of the most successful the organization has had since its inception, as well as reports of the four county council.

Plans were made for a party on October 7 with Mrs. Edgar McKee, Mrs. Jesse Boak and Mrs. Joseph Cooper in charge of cards and Mrs. Sol Festoso, Mrs. Carl Wallace and Lillie Hartman arranging the refreshments.

Installation of officers will be held October 14, when many visiting auxiliaries will be present as this will be one of the outstanding social events of the auxiliary's fall work.

Mrs. Orville Potter will have charge of the entertainment for the evening and Mrs. William Reynolds, Mrs. Joseph Ameth and Mrs. James Cooper will be in charge of the dinner.

## E. J. Switzers Plan Trip

Mrs. E. J. Switzer of Hillcrest Ave. will leave this evening for Chicago, Ill., where she will join her husband who has been in Illinois for some time. Together they will travel by auto through Wisconsin and the upper peninsula of Michigan. While away they will travel along the shores of three of the Great Lakes, also will travel through the interior of Wisconsin. From Chicago they will drive along the Lake Michigan shore to Sturgeon Bay—then cross Green Bay by ferry to Menominee and Marinette going down the coast of Green Bay to Green Bay City, then cross country to Duluth, Minnesota. From Duluth they will traverse the shore of Lake Superior, visiting Superior, Ashland, Hurley and Ironwood and going over the Porcupine Mt. to L'Anse au Loup, then to Marquette and Sault Ste. Marie. From Sault Ste. Marie, down the shore of Lake Huron to Cheboygan, to Port Huron, Detroit and home. They expect to be gone about two months.

## Lindner Class Outing

A most informal but delightful monthly get-together meeting of the members of the Lindner Young Married People's class of the Highland United Presbyterian church was held Friday evening in the form of a steak fry and marshmallow roast at Lakewood, with 22 members of the class in attendance.

The group gathered about the open fire, which had been built by the men of the class and a merry time was had bandying stories and songs back and forth.

Mrs. John Brinton, Mrs. Florence Pascoe and Mrs. Harry Bilzle were in charge of the evening's program.

## Sunday Guests Here

## New Castle Chapter O. E. S. Opens Fall Season With Dance

A most brilliant and colorful opening of the winter social season was held in the Cathedral ballroom Friday evening when the New Castle Chapter, Order of the Eastern Star entertained its members and friends at an early autumn dance.

The ballroom was artistically and colorfully decorated with the red and brown leaves of autumn and the brilliant colors of the women's gowns added much to the beauty of the scene. About two hundred couples danced to the latest novelty numbers in music, while a number spent the hours about the card tables, which had been arranged in the foyer of the ballroom.

Shortly after nine o'clock the orchestra struck up a march and the grand march was led off by Mrs.

Caroline Linsley, district deputy grand matron and her son; Henry Jackson, worthy patron and wife; Mrs. and Mrs. Howard Geary and other officers of the chapter and past matrons; then came the long line of guests.

Mrs. Agnes Allen, matron of Shenango chapter and Mrs. Edith DeArment, matron of Cathedral chapter, were special guests. Many were present from out of town.

During intermission refreshments were served by Miss Bessie Durant and her committee.

Mrs. Daisy Brodbeck was general chairman of arrangements and she was capably assisted by the members of the various committees in making the season's opening event one of brilliancy and success.

## P. E. O. SISTERHOOD PLANS GUEST NIGHT

Marking the second gathering of the fall season, and in reality the first regular meeting, members of the P. E. O. Sisterhood assembled in the home of Miss Iretta Dart on East Washington street Friday evening.

Mrs. Fred Smith gave a report of the federation meeting held at the Y. W. C. A. on Tuesday, and an account of the legislative committee was given by Mrs. Mary Aiken.

The business period was followed with a resume of "Current Political Issues" by Miss Aiken.

Miss Theresa Cover assisted the hostess in serving delicious refreshments at the close of the evening.

Plans were completed for the next meeting to be held on Friday, October 7, instead of the date scheduled in the year book, at the home of Miss Aiken on East street. On this date the members will observe guest night.

## MINERVA CLUB IN SOCIAL GATHERING

Mrs. Clarence Updegraff of Moody avenue, invited a planning hostess to associates of the Minerva Club in her home Thursday evening. A contest in bridge occupied the leisure time, and lovely prizes were won by Mrs. Alfred Sadler and Mrs. Frank Robinson.

As special guests they had Mrs. Ray Hall, Mrs. Henry Jackson and Mrs. Wiam Sloughton.

A delicious lunch was served by the hostess at a suitable hour, assisted by the Misses Doris Updegraff and Eleanor Colgan.

The next meeting will take place on Friday, Oct. 7, at the home of Mrs. Minnie McCandless, Wampum.

## BRIDAL RECEPTION TO BE HELD SUNDAY

One of the outstanding social events of Sunday evening will be the reception in the home of Mrs. David Frank, 311 East Lincoln avenue, when she receives relatives and friends in honor of her daughter and husband, Mr. and Mrs. Raymond Alter of Steubenville, O., whose marriage was solemnized a short time ago.

The reception hours will be from 8 to 12.

CANDIDATES for office in various parts of Pennsylvania will appear on the ballot under imitative and bewildering party titles. Lists filed at Harrisburg include Dry Enforcement Allies, United Drys, Wringing Wet, Repeal, Roosevelt Progressive, Roosevelt Protective, Roosevelt Party, Jobless, Labor, Fair Play, Fair Rate, Fair Tax, Tax Payers, People's, Citizens' Liberty, Liberty League and Anti-Carpetbagger.

Some of these are deliberately intended to be confusing and to profit by misrepresentation. They infringe upon orthodox candidates as much as imitators infringe a patent or a trademark. Many are silly because they inject local politics into State and National affairs without regard for the utility of the proceeding. While most of these incongruities are harmless, their effects may be unfortunate.

Freak parties clutter up the ballot and add to unnecessary expense. They mislead voters who are none too careful about pitfalls, and in close contests they may succeed in defeating the will of the majority. Seldom do they draw a following sufficient to create a bloc, the multiple evil which plagues European legislatures; but they are a subversive in their effect on honest elections. The conditions under which pre-emptions may be obtained might well be made more drastic.

## PROMISE OR MENACE

The head of a great American chemical manufacturing concern predicts the end of all disease in 50 years. He included the dread cancer within the scope of his prophecy, which he bases on the progress now being made in chemical science.

The predictions do not come within the realm of the impossible. In fact, many unversed in chemistry or medicine have long been confident that mankind would soon conquer the last of its disease enemies. This confidence has been strengthened and rewarded by the progress made in the battle against tuberculosis and the virtual elimination of disease epidemics in the United States.

Chemicals have long been employed effectively in the destruction of the enemies of vegetable life. Why should they not be as effective against the germs which prey upon human life? Already chemistry and surgery have made great headway against disease.

But what will it avail chemical science if it frees humanity from the menace of disease only to destroy humanity with poison gases, devastating explosives and other fiendish munitions of war? Some of the very chemical formulas devised to rid mankind of its invisible enemy—disease—are more invisible and a thousand times more deadly to man than the germs for the eradication of which they are intended.

Upon chemistry is civilization dependent in great part for its future happiness and welfare. Chemical research must not be interrupted nor restricted. There is no menace to man in the advance of chemical science. The menace is the use to which man puts his chemical knowledge. The world must see to it that this knowledge is employed for the protection of man not for his destruction.

## VICE PRESIDENT HAS FAITH IN HIS COUNTRY

While Governor Roosevelt has been touring the West, Vice President Curtis has been making speeches in three of the Southern States. Both, in a sense, may be said to be in the enemy's country. Mr. Curtis has been pointing out the Administration's efforts to meet present economic problems and has shown how it has done everything possible to protect labor, farmers, banks and business men generally. But his convincing argument is his prediction—if a prediction can be called an argument—that the Nation will emerge from this depression stronger and greater than ever.

In other words, Vice President Curtis is what the financiers would call "bullish on the United States." He is right—everlastingly right. The people of this great country are not going to curl up and admit that they have been beaten. Many of them have suffered severely, but they are still fighting all along the line, and they are satisfied that they will come out victorious in the end.

It is simply a question of time; and the time will be all the shorter if Mr. Hoover and Mr. Curtis are reappointed for another term of four years.

## AN ODD EXPERIENCE

Those aviators who make daily high-altitude flights to secure data on the weather certainly have some strange experiences.

Ralph Wenzinger, who acts in such capacity for the Weather Bureau at Cleveland, had one of them only a few weeks ago. It was a hot summer day—and Ralph ran plumb into a heavy snowstorm at a 9,000 feet level.

On the ground everything was summery, and not a flake, of course, got down to where those on the ground could see it. But the aviator, more than a mile and a half up, was fighting a January blizzard and had to get into summer weather again.

Perhaps the moral of this tale is that if a fellow has an airplane he can seek out his own weather.

A Crossroads of War  
Fighting Men Going By  
It's All Long Ago

By MARSHALL MASLIN

It seems centuries ago that I stood at that crossroads on that hot and sticky morning, and the march of men was all clouded over with the dust of unheroic war.

It seems so long ago and yet I see it so clearly, as if I stood there now.

A division was going into the line. A division of boys, American boys, who knew nothing of war. Who did not know anything at all of what happened up there in the trenches, in the rat-ridden dugouts, in the oppressive, dull, miserable shambles of war.

I'd seen some of it. I knew what it was like. . . . They didn't. Neither they nor their officers. They'd been told, they'd read about it in books. But they couldn't really know. One or two of them looked exultant. A few looked scared, not of dying, perhaps, but of how they'd act under the ghastly pressure of warfare.

I pitied those kids and I envied them, too. It's a good experience, in its way, to discover what you're really like, and to test yourself harshly in the company of your fellows.

And as the division went up another division came down. Other men, older, with a different look in their eyes. In light blue uniforms. . . . Men who'd been up there for years, and to whom this was an old and endless story. . . . I knew those fellows, too. I'd lived with them for months, and I knew all about them, what they thought about this war, and how they felt about living and dying. Frenchmen who were my friends, who'd been my comrades for months and months.

One bunch going up to death, another bunch coming down to life. Tanks sputtering, trucks grinding, wagon wheels squeaking, airplanes roaring up and down the line, and a battery of 75's letting go every few minutes on that little hill, and an Austrian whizz-bang dropping too close for comfort in a nearby field.

I knew them, I wasn't excited. None of those boys were heroes to me. Even if they did, they wouldn't be heroes. They'd just be fellows who'd gotten a tough break. . . . I didn't think of them as anything but human beings at a crossroads, moving up and coming down, doing their jobs, not thinking of themselves as heroes. Not any more than I did.

It's long ago. The dust has cleared away. The crossroads are quiet. The fields are cultivated and the harvest is on them. But I still remember that hot and noisy morning. Still it's a part of me, as it is a part of every other man who has known such a crossroads as that.

Law Demanded To Prevent  
Perilous Flights By Children

Rescue Of "Flying Hutchinsons" Brings Relief To  
World, But Use Of Northern Route Is Declared  
To Have Shown Recklessness

The attempt of George R. Hutchinson, his wife and two daughters, six and eight years old, to cross the Atlantic by stages, flying over Greenland, is condemned by the public because of the peril involving the children. Their fortunate rescue after disaster to the plane is a subject for rejoicing, but it is held generally that the children were not competent to exercise judgment in their decision to accompany the parents. A law to prevent endangering the lives of young fliers is demanded in some comments.

"It is hoped that in the near future, when stunt fliers feel the urge to make transoceanic attempts, they will not take children along," says the TOLEDO BLADE, and the MERIDIAN (MISS.) STAR declares: "No glamour—no romance—no glory—attaches to little children freezing and starving to death." The PORT HURON TIMES HERALD comments: "We have become quite inured and almost callous to the voluntary sacrifice of human life in its maturity, as men and women have set out to win fame or fortune in the air. But taking the children along on such a perilous exploit, with the small chance it offered of being able to get through at all, saved too much of a 'massacre of the innocents' to set well on the national conscience."

"Children are neither capable of understanding the danger nor of deciding whether they will risk it," in the judgment of the CINCINNATI TIMES-STAR, which advises: "To expose them to it is in effect to take advantage of their innocence. Indeed, they run a greater risk than adults, being less able to withstand hardship and exposure if marooned or injured in a crash. Happily the Hutchinsons are apparently none the worse for their mishap. Under the circumstances, one feels free to say that it is a good thing the expedition came to grief, for by illustrating the almost criminal foolishness of taking children on dangerous flights, it may serve to discourage similar undertakings in the future."

"Undoubtedly, the children were influenced, directly or indirectly, by their elders," thinks the ESCANABA DAILY PRESS, with the conclusion that "it does not seem proper that a parent should offer up youth as a sacrifice upon an altar of sensationalism." The OAKLAND TRIBUNE finds that "there are many who will say it is too bad journeys of the kind cannot be prevented by law."

That paper holds that "if the children had choice in the undertaking, it was one without understanding," and that "it is nothing with the establishment of a record for family flying, and the public, with the thought of children exposed to needless risk, is given cruel hours of concern." The DANCEY EVENING NEWS agrees that "some law, some enactment, some power should be able to prevent this sort of thing."

marks: "If a man wants to risk his neck in an airplane journey that's his business. If his wife wants to go along and risk her neck, too, that's her business. But if this couple wants to take young children along that ought to be the public's business."

"It is too bad," similarly advises the LEXINGTON LEADER, "that authority does not exist in governments to prevent such exploits." That paper states as to the flight: "It is a relief to know that the children have not been sacrificed to the foolhardiness of the parents. It is true that the family has flown together many thousands of miles in the past few years, but the voyage to England by way of Labrador and Greenland at this season was a particularly perilous adventure and the various governments concerned did not approve of it. When the Hutchinsons disappeared, America, Germany, Norway, Denmark, and England were represented in the hunt which was made for them. A very

Depression "Mourning"  
Is Pictured As Vanishing  
And "Rebound Is Upon Us"

By DR. RALPH W. SOCKMAN  
Pastor of the Madison Avenue  
Methodist Church, New  
York City.

The Nation is experiencing a natural rebound from the gloom of a depressive period into a future of cheer.

Human nature cannot remain indefinitely in a dark and gloomy mood. No matter how great the sorrow, the period of mourning does not persist beyond a limited time. This biological and psychological fact is a sure ground for hope of peace and recovery through freight car loading electric power consumption or political election forecasts. Our nature has endured the darkness of depression just about as long as they normally stand such a mood. The rebound toward hope and cheer is upon us.

In the religious realm there is also appearing a reaction from the depressing cynicism of the post-war decade. We are awake now to what foresees a dozen years ago. We of the church were predicting a boom in religion immediately following the war, but we should have known that there can be no real revival of genuine religion in the atmosphere of hatred which war engenders.

In that cold period of the Ber-

trand Russells, the Dreisers and the Menckens, people in general but-toned up their better natures. The girl in her teens tried to show how hard she was. The man on the street adjusted his gaze to "see through" motives and moods to see their sinister side. Religion pretty largely surrendered to science as the single test of its validity.

But the human spirit refuses to stay in a perpetual winter. We human beings have an urge toward wholeness which tends to swing us out of any one-sided effort that through which we have been passing. Such a trend is now apparent, revealing itself in the wistfulness of the liberal writers and in the recent utterances of scientists like Millikan.

The fact that we are ripe for such a turn toward religion does not, of course, guarantee a wide spread of religious awakening. The veterans of the church may forfeit their opportunity as sadly as certain veterans of the American Legion are forfeiting theirs. There is no more sinister danger confronting us than that of groups seeking to use public agencies for self-interest rather than for service. This tendency is to be heavily condemned, whether it appears in the American Legion or in the Christian church.

# CHURCHES JOIN TABERNACLE MEETING SUNDAY

## Union Service Sunday Night

Service Tonight At Tabernacle But Monday Night Will Be Rest Night

CROWDS ATTEND DURING WEEK

"A plea for prayer" will be the sermon subject for this evening's discourse in the city-wide revival.

"Christ's Brotherhood" will be the sermon subject of Dr. P. W. Philpott's sermon Sunday evening in the tabernacle tent, South Mill Street, at 7:30.

Church goers will attend their own respective churches for the morning service and the evening revival meeting will be a union service for many congregations.

Monday evening there will be no service, this being the day of rest for the evangelistic party.

Friday evening the adherents to the Christian, the Christian and Missionary Alliance and Episcopal churches occupied the center block of seats in the Tabernacle Tent, and three thousand persons filled every seat in the edifice for this service.

The usual half hour service of song preceded the sermon and Richard Johns and Sam Lewis of the First Christian church choir sang a duet, and there were several numbers by the large chorus choir.

Dr. G. S. Bennett, pastor of the First Christian church, led the evening prayer.

It was announced that Monday evening the tabernacle would be dark, this being the evening of rest for the evangelistic party. There will be a number of special delegations for next week's services.

**Sermon On Obedience.**

Dr. P. W. Philpott had as his sermon subject Friday evening "Does It Pay To Obey" and took his text from Genesis 22:14 "And Abraham called the name of that place Jehovah". His sermon dealt with the four great crises that had come into the life of Abraham, each one involving a separation from something very dear and near. He was called upon to leave his kindred and country; he was called upon to separate from Lot; he was obliged to give up his cherished plans for Israel, and

he was called upon to lay upon the altar his son, who was dearer to him than anything else in the world. The significant term used to characterize Abraham's faith was obedience. At each step he obeyed God, and in the world of today, if we have faith in God at every crisis and obey His will, things will turn out for the best.

The tabernacle is arranged so that there are special seats in the

DR. P. W. PHILPOTT

front, just below the platform for those whose hearing is not as keen as it might be. Also in connection with the meetings, a nursery has been established in the Carnegie auditorium for the small children, so the parents and their neighbors may enjoy the services without being disturbed by the restlessness of the wee ones.

The service will be held this evening at 7:45.

## Noted Speakers Assembles Here

Delegates from Lawrence County attending the 70th annual convention of the Pennsylvania State Sabbath School Association which is to be held at Lancaster, Pa., October 12, 13 and 14, will have an opportunity of listening to the outstanding ministers, religious leaders, and Sabbath School specialists from the country affords.

The convention opens with a general session at the St. Paul's Reformed church at 9:30 with Harry E. Paisley, the president of Philadelphia, presiding. The devotional period will be in charge of Rev. J. Alvin Orr, D.D., pastor of the First United Presbyterian church of Pittsburgh, and words of welcome will be extended by the Mayor of Lancaster, the president of the Lancaster County Sabbath School Association, and the chairman of the local committee.

After this there will be an address by President Paisley on "Expanding Christian Experiences," followed by appointments of convention committees.

The convention sermon will be on the subject, "I am come that they might have life and that they might have it more abundantly," which will be delivered by Rev. R. Sizoo, D.D., pastor of the New York Avenue Presbyterian church of Washington, D. C. The benediction will be pronounced by Rev. J. Alvin Orr, D.D.

Children Division, Young Peoples Division, Adult Division, School Administration Division and Scholarship Training conferences will be held in churches of Lancaster, Wednesday afternoon with outstanding specialists for each division as speakers.

## New Pastors Will Fill Pulpits Sunday

Changes Made By Recent Erie Conference Become Effective On Sunday

Rev. Norris A. White, the new pastor at the First Methodist church and Rev. J. A. Galbraith, the new pastor at Epworth Methodist church, will occupy the pulpits in their new charges for Sunday morning sermons.

Rev. White, who was a former pastor in this city, comes here from Grace church at Oil City and Rev. Galbraith comes from Ridgeway where he has just completed a successful four years pastorate. Dr. and Mrs. Galbraith will move to New Castle the latter part of next week and will reside in the parsonage on Epworth street.

For Sunday Dr. Galbraith has chosen "The Visible Christ" as the subject of his sermon.

Dr. S. L. Maxwell will take up his pastorate at the Grace church, Oil City, Sunday, after six years as minister of Epworth church. Dr. H. C. Weaver, who has been pastor of the First church, has retired for a year on account of his health.

The New Castle Ministerial Association will have a conference meeting Monday morning at 10 o'clock in the First Presbyterian church with Dr. W. E. McClure, president, in charge.

Dr. P. W. Philpott will confer with the ministers as to the progress of the city-wide revival, which is being carried on.

During the revival period the ministers will meet each Monday morning for a conference.

## Sons Of Veterans Make Nominations

Oscar L. Jackson Camp, Sons of Union Veterans, held a regular meeting last night with a good attendance of the members. A number of matters of importance were up for consideration, the principal item of business transacted being that of nominating members as candidates for the various offices of the camp.

The election of officers will take place on Friday evening, October 14.

The convention opens with a general session at the St. Paul's Reformed church at 9:30 with Harry E. Paisley, the president of Philadelphia, presiding. The devotional period will be in charge of Rev. J. Alvin Orr, D.D., pastor of the First United Presbyterian church of Pittsburgh, and words of welcome will be extended by the Mayor of Lancaster, the president of the Lancaster County Sabbath School Association, and the chairman of the local committee.

After this there will be an address by President Paisley on "Expanding Christian Experiences," followed by appointments of convention committees.

The convention sermon will be on the subject, "I am come that they might have life and that they might have it more abundantly," which will be delivered by Rev. R. Sizoo, D.D., pastor of the New York Avenue Presbyterian church of Washington, D. C. The benediction will be pronounced by Rev. J. Alvin Orr, D.D.

Children Division, Young Peoples Division, Adult Division, School Administration Division and Scholarship Training conferences will be held in churches of Lancaster, Wednesday afternoon with outstanding specialists for each division as speakers.

## Cites Benefit Of Community Garden

Community gardens which were again projected this year by the Lawrence County Red Cross and Garden Club, have proven of more benefit than the average person would imagine, Secretary Orville Potter of the Lawrence County Chapter pointed out today.

Only one instance is cited to prove how helpful the gardens have been, but there are a great many similar cases throughout the city.

One family alone raised enough vegetables from just a small plot furnished by the Red Cross, along with the seeds, to supply their table use all summer, but in addition canned 286 jars of corn, tomatoes, beans, etc. Besides, the owner of the garden asserted, he has given

away enough to have canned 150 more quarts to neighbors.

These gardens have produced a bountiful supply of garden vegetables this summer, where properly cared for, and have proven a great help to the unemployed people who have worked them.

Several tons of seeds were given away last spring by the Red Cross, in addition to which they planted the tomato and cabbage seeds in flats at the Butz green house, Carnegie Steel green house, and country home, and distributed these among garden workers.

The amount of vegetables which were gathered from these home gardens would be impossible to estimate, but amounted to thousands of bushels.

## Lightning Burns Three Barns, Home

Mercer County Struck By Freak Storm Yesterday Which Causes Heavy Loss

SHARON, Sept. 24.—Three barns in the vicinity of Jamestown and an unoccupied house near Orangeville were destroyed when struck by lightning in the electrical storm which swept the district Friday morning and a farm home in Laketownship, was burned when clothing in a closet caught fire.

The barns of Andrew J. McElhaney, Ralph H. Ralston and Frank Irvine, all within a four mile radius of Jamestown were completely destroyed with loss of machinery, livestock and crops, all shortly after 3:30 a. m. The home of Lee Foltz, two miles from Orangeville, on the Sharpville road, burned to the ground when lightning struck a pump at a corner of the house. It

had been unoccupied for some time. The home of Byron Zahniser, a short distance from the

## Roosevelt In S. California

Suggests Idea Of Debate On Issues By Candidates For President

TO SPEAK TODAY IN LOS ANGELES

By GEORGE R. HOLMES  
International News Service Staff Correspondent

EN ROUTE WITH GOV. ROOSEVELT, Sept. 24.—Franklin D. Roosevelt came to southern California today with a challenge to President Hoover for a personal debate of the issues of the 1932 campaign.

Gov. Roosevelt was scheduled for two speeches in Los Angeles, one of them at an afternoon political rally in the Hollywood Bowl. The second talk will be informal at the electrical pageant staged by the movie world annually and at which the Democratic nominee for President will be guest of honor.

The governor came to the traditionally Republican section of California with an assertion "that the lines of demarcation could be sharpened and defined."

**Should Define Problems**  
"Good government," he said to a throng of 15,000 in the civic auditorium at San Francisco just before leaving the Golden Gate City, "is to be served if in our national campaign the leaders of the two great parties could agree first of all on the definition of certain problems of government."

He was bringing to Southern California what he said, "I must politely term the failure or the inability of the other side to join issues; but you cannot debate with only one man on the platform." "Early in his campaign, Governor Roosevelt announced he would debate the issues only with 'the distinguished gentleman who is running against me.'"

**Declines Debate**  
In California he has alleged that his opponents have declined to debate the issues. In this respect, Gov. Roosevelt took exactly the same position which Alfred E. Smith took in the 1928 campaign.

With William G. McAdoo sitting on the platform in San Francisco, and applauding, Gov. Roosevelt recalled to Californians his part in the Democratic national convention of 1928 "in behalf of the nomination of a great citizen and a great Governor, Alfred E. Smith."

### FOUND NOT GUILTY

#### COSTS ARE DIVIDED

In the case of Sophia Kozanewski, charged with assault and battery, which was tried before Judge R. L. Hildebrand at court, the jury this morning returned a verdict of "not guilty." Costs were divided between

the defendant and the prosecutrix, Freda Ludwiczewski.  
The two live neighbors on the south side. It was claimed that on June 5th Sophia had struck Freda with the limb of a tree following a quarrel over children. Freda denied that she had struck Sophia.

## Iowa Committeeman Goes To Capital To Aid Herbert Hoover

Will Help President Frame Speech To Be Made At Des Moines, Iowa

(International News Service)

WASHINGTON, Sept. 24.—H. E. Spangler, Republican national committeeman for Iowa, arrived here today to perfect plans with President Hoover for the executive's opening campaign address at Des Moines October 4.

He will be a White House guest during his stay here.

Mr. Hoover has devoted a good portion of his time for the past several days in drafting this address. It is expected he will emphasize the farm situation, inferentially answering the Topeka, Kan., speech of his Democratic opponent, Gov. Franklin D. Roosevelt.

## Mrs. Borah Is Seriously Ill

Condition Of Wife Of U. S. Senator Takes Turn For Worse During Night

(International News Service)  
BOISE, Idaho, Sept. 24.—Mrs. Mary E. Borah, wife of Idaho's senator, stricken with "parrot fever," suffered a relapse today. Her condition was pronounced "critical" by Dr. Ralph Falk, physician in charge.

Mrs. Borah's condition took a turn at midnight and has "grown progressively worse," according to a bulletin issued by Dr. Falk this morning.

Psittacosis serum received early this morning from Washington, D. C., has been administered.

Dr. Falk declined to comment further on the sudden turn for the worse but intimated that the crisis on the disease was at hand.

## Father Confesses Slaying Of Son

Tells Sheriff He Killed Eight-Year-Old Boy Because Of Incurable Condition

(International News Service)

LANCASTER, Wis., Sept. 24.—Because his eight-year-old son, Martin, was feeble minded, William Keenmer, Hickory Grove farmer, beat the child to death with a stone, he confessed today, according to police.

The boy's body was buried by his father in a shallow grave in a gully, authorities said. The remains were found by the sheriff who was directed to the grave by the father.

"The boy was incurable and I thought he would be better off dead," Keenmer was quoted as telling police. "I tried to get him into an institution, but failed."

"I hit Martin from behind with a stone. He fell unconscious and I hit him again."

Claudia Muzio, noted star of the Chicago Civic Opera Company, is shown on her arrival in New York from Italy on the S. S. Saturnia to open her American season. The famous soprano will sing at the dedication of San Francisco's new opera house this fall.

## Gotham's Society Mannequins

Here are two of New York's most prominent society leaders, shown as they wore the gowns they will model at the coming fashion show for the benefit of charity. At left is Mrs. Banks Bertschmann, wearing a lovely coat of natural grey broadtail with silver fox collar. Chatreuse green is the shade of the stunning evening ensemble worn by Nancy Guggenheim (right). This outfit includes an ermine cape lined with the same material as that used in the gown.

## Melody That Sounded Good

Here's one little girl who has an optimistic opinion of Governor Franklin D. Roosevelt's chances in the coming Presidential election. She is Melody Bresina and is shown with the Democratic nominee on the occasion of the Governor's visit to the Orthopedic Hospital in Seattle, where she is a patient. Melody asked to be raised up so that she could shake the hand of "the next President."

## End Record Jaunt to School

The Roosevelt boys, Theodore, 3rd (left), and Cornelius, probably hold the record for long distance trips to school. The sons of the Governor-General of the Philippines are shown on their arrival at Newark, N. J., after flying from Seattle. They had been visiting their parents in Manila and must now return to their classrooms. Theodore, 3rd, is a student at Harvard while Cornelius attends Croton School.

## FIGHT FOR FARMERS IN OVERALLS

Superintendent V. D. The entire school enrollment of 400, girls included, joined in the movement.

## WINTER CHAPEAUX, COQUETTISH OR DEMURE, FIT HEAD SNUGLY WITH TRIMMINGS KEPT SIMPLE, DISCREET

Most of the winter chapeaux have a coquettish look, others are very demure. All fit the head snugly with trimmings that are simple and discreet. At the extreme left, above, is a tiny black velvet turban with a feather band of beet root red outlining it; inset, below, is a bowler type of street hat with grosgrain ribbon band; next an Agnes red velvet scull cap with a stitched miniature be-ret and frill for decoration; fourth a melon topped sailor with short brim and one of the new square-meshed veils. A soft turban of black velvet is shown inset, below, with a twisted swirl of the material for a trimming; while the sixth model is a chic turban for matinee or tea, the crown maline striped with black velvet, a shirred band and part of the bow being white velvet, the latter combined with phire blue velvet with a flat bow of self material for ornament. An ideal topping for the new sheer wool dresses is the soft turban, ruff and cuffs of box pleated mil-liner's velvet, next, in brown, the gloves also being velvet; at right, hatters plush hat with veil, and an ermine turban, with black velvet feather band, below, for theater and formal afternoon wear.

## THIS WOULD TICKLE AL CAPONE

This is the first of five sedan automobiles being built by a Pittsburgh motor company for the president of a South American republic, which will surpass the fondest dreams of Al Capone for security. As a protection against bombs they are lined with steel netting, bullet-proof steel and special glass one and a quarter inches thick. The cars will be installed with tear gas bombs and machine guns. To the observer the outward appearance of the car is no different than an ordinary sedan. Miss Mildred Black, in the picture, is pointing to the steel netting. (The name of the bomb-proof president is kept secret.)

## Unemployed Vets Asked To Report

Close To Hundred Men Have  
Ex-Serviced Men Unemployed  
Registered At Red  
Cross

Unemployed ex-service men who have registered at the office of the Lawrence County Chapter, American Red Cross, up until Friday, are asked to report to Secretary Orville Potter at the Red Cross office on Monday and Tuesday of next week. There are prospects of these men securing employment on a county project. Close to a hundred veterans have registered at the Red Cross office this week as being unemployed and seeking work on state and federal aid road projects.

## IF YOU CAN'T PAY YOUR BILLS:

A promise to pay must be kept or you suffer—the merchant loses confidence in you.

Character is built by keeping one's promises. Good character is the greatest asset one can possess—it is the basis of all credit.

When something happens and you cannot pay according to the terms of the purchase, what do you do?

If you can't pay, the proper and important thing is to frankly explain matters to the merchant or his credit manager.

Conditions beyond one's control might prevent a promise being kept—but, if you don't tell the merchant, he will assume you are not trustworthy.

The office of the New Castle Credit Exchange contains many unfavorable reports on individuals who have become careless and permitted themselves to be rated "Undesirable for Credit".

Have regard for your promise to pay.

## SEVENTH WARD NEWS

### Two Thousand Quarts Canned By Ward Workers

Splendid Co-Operation Shown  
By Groups Of Mahoning  
School Cannery

"It ain't the individual. Nor the army as a whole. But the everlasting teamwork of every bloomin' soul."

True to Kipling's lines, the seventh ward men and women from needy families have been doing some team work the past few days in the Mahoning school annex, resulting in the canning of over 2000 quarts of fruit.

Meeting together early in the morning and laboring over bushels of tomatoes, peaches and apples and large steaming kettles all day long this group has been able to make enough canned food to help materially in their own families and other unemployed families of the city.

Half of each day's total number of canned quarts go to those who did the work. The other half goes to the mayor's relief committee. Mahoning canned 873 quarts Friday, 712 quarts Wednesday and Friday's quarts make a total of well over 2000.

The canning is continuing through today.

### FIFTH BIRTHDAY.

Mr. and Mrs. Edward Strawhecker entertained a number of playmates in their home Thursday evening honoring the fifth birthday anniversary of their son, Edward, Jr.

The hours were spent most pleasantly playing games. At a seasonable time lunch was served in the dining room. A large birthday cake centered the table with fall flowers and colors of orange and black decorating. Those serving lunch were Eleanor McCowin, Mrs. R. W. Lutton and Mrs. Strawhecker.

Those present were Louise and Eileen Lutton, Mary McCowin, James Lutton, Louis Lutton, Lyle Schuring, Wilford Schuring and the honored guest, Edward Strawhecker, Jr.

Edward received many useful gifts.

### LARGE TOMATO.

## Martin Praises Work Of Hoover

Republican Drive To Win  
Allegheny County For  
Hoover Opened By  
Gen. Martin

RELI F FUNDS  
A. E. LOINT

(International News Service)

PITTSBURGH, Sept. 24.—The Republican drive to place Allegheny county in the G. O. P. column in November was underway today following a "pop" talk by Gen. Edward Martin, Republican State chairman, at a North Side rally last night.

President Hoover's stand for a protective tariff, his work toward overcoming the depression and his creation of the Reconstruction Finance Corporation drew hearty commendation from Martin. He said:

"The president has prevented disorders, riots and social upheavals. He has presided to care for the needy. He has averted panic and catastrophe."

"The economic struggle is not over and battles are still raging on 100 fronts. While a score of revolutions have shaken the foundations of other nations, while nations after nation has been driven from its gold standard, the United States of America is tranquil, solvent and confident."

### MARGIOTTI RETAINED IN CONTEST OVER WILL OF CHAMBERS

Attorney Charles J. Margiotti of Pittsburgh and Attorney William J. Caldwell of this city, have been retained by Mrs. Etta M. Lusk, as additional counsel in a contest over the will of her brother, the late Charles M. Chambers. They will debate with Attorney Thomas W. Dickes, in the handling of the case.

Attorney Margiotti, who is well known here through his connection with the Schroeder-Dague murder case, is now in New York defending Senator James J. Davis, who is being tried on lottery charges. He will come to New Castle to assist on the Chambers will case immediately after the Davis trial is closed.

### FATHER IS BEATEN BY HIS TWO SONS

UNIONTOWN, Pa., Sept. 24.—Another battle in the mountains between father and sons following the murder of Isley Tapp by his boys, resulted in charges of assault and battery being instituted by Herman Shultz of near Oliphant against Carl and Johnny, his sons. The parent alleged that he had been attacked by his offsprings when he objected to their "wet" habits. Officers have been told that the boys would put up a battle and twice have gone into the mountains prepared for trouble. The sons have not been arrested.

## Scores Of Farmers Bringing Their Wool To City For Pooling

Estimated 50,000 Pounds To  
Be Sent Out From Three  
County Pool

Fifty thousand pounds of wool—clipped from the backs of more sheep than could be counted in a fortnight by most desperate of insomnia victims—were pooled yesterday and today by farmers from Lawrence, Butler and Beaver counties.

A large one-roomed warehouse, located on Moravia street at the viaduct, is the headquarters for this gigantic pool, which is perhaps the largest as well as the oldest in the state of Pennsylvania.

To this warehouse scores of farmers from all points in the three great counties have been bringing their annual clips. All days Friday and today Moravia street has been covered by a long line of their automobiles, trucks and trailers, buggies and wagons, each of which is piled high with wool.

### Estimate 50,000 Pounds.

By the time this is read there will have been accumulated 50,000 pounds, according to an estimate made by H. R. McCulloch, Lawrence county farm agent. McCulloch has been putting in many hours at the scales, weighing and making records of each farmer's wool crop.

A fascinating place—the pool headquarters. So fascinating that a News representative who climbed into the warehouse to look it over yesterday afternoon, almost forgot to leave. Standing amidst bales of wool, portions of which were scattered over the floor, and amidst 12 or more busy men who were there because they knew their wool, here was what was seen:

One by one the loaded cars drew up to the front opening, where the wool was received by W. B. Connell, State college specialist. Connell expertly "graded" it; that is, he placed the fine, medium and heavy grades in separate crates. These crates were carried over to the scales.

### Wool Is Graded.

After getting the total weight of each grower's clip, and the weight according to grades, County Agent

McCulloch made note of the figures on blanks kept for the purpose. Receipts were given the growers, to be presented when they receive their pay several weeks from now.

From the scales the crates of wool were toted over to the other side of the barn and thrown up to a long, specially built platform, where two men were engaged in packing it into long burlap sacks. The sacks measured probably 12 or 13 feet in length and each accommodated on an average of 200 pounds of wool.

When one of the long sacks was full it was removed from the high platform, the open end was sewed tight shut and the sack was carried back to the scales. McCulloch weighed it and another chap took a can of black ink and labeled the weight on the outside of the sack. From there the well packed fleece was piled on a waiting truck, driven a few yards away to the railroad tracks where four freight cars awaited the crop for shipping.

### More Wool Arrives.

And so through two days. More wool arrived, it was graded, weighed baled packed for shipment. Still the wool kept coming and the process was repeated over and over again.

Three grades predominated—"fine Delaine," "half blood" and "three-eighths blood." Although the coarse wool is bringing the best price this year, it is the fine Delaine that brought the remarks of admiration from the pool workers. It is from this grade that fine wool dresses for women are manufactured. Southwestern Pennsylvania, Southeastern Ohio and the Panhandle of West Virginia produce the finest wool of this grade in the world—not Australia as was formerly believed. Beaver is right in that district. Lawrence produces a great amount of medium grade wool and some Delaine. W. G. Duff of North Beaver township raises a large part of this county's fine wool. S. D. Kyle also brought in a fine clip yesterday.

Wheeling W. Va., is the destination to which the locally pooled wool is enroute. The many pounds of fleece will soon be changed into smart swaggar suits and turtle neck sweaters, heavy underwear, blankets and mittens. Perhaps some of it will turn up on the counter of a New Castle store some of these days in the form of a winter jacket for the family bulldog. Or a fluffy yard doll for milady's vanity dresser.

### LOW WATER FORCES

#### DOWN FARRELL PLANT

SHARON, Sept. 24.—Continued shortage of the water supply, due to the low level of the Shenango river, caused the Farrell plant of the Carnegie Steel Company to suspend operations last evening after working since Monday.

Officials said today that the plant would resume Tuesday at midnight, when the plant's pool is expected to have filled making possible resumption of the blast furnace, open hearth and rolling mill departments.

The solitary bird gets its name from its habit of hiding in the solitary depths of forests.

## STREET CLOTHES PLANNED FIRST

In planning the fall and winter wardrobe, street clothes come first, working up to evening clothes. The wool ensemble is important, and there should be a

separate frock or two. This long frock, photographed in Paris, has a dark green velvet top with fancy woolen, below. The hat is from Maria Guy.

## Thaddeus Stevens School Pupils Display Fruits Of Garden Work

The pupils of the various schools of the city have been vying with each other during the past week in displaying the results of their summer's work in their gardens, with the result that the parents and friends have been able to view with pleasure the many beautiful flowers and wonderful vegetables the younger generation has raised.

On Thursday afternoon at the Thaddeus Stevens school the pupils have over two hundred and fifty entries in their exhibit and these were viewed by over one hundred and seventy five visitors.

Judging the displays were Mrs. William Howley and Mrs. Harry Wettich of the Garden club. The outstanding exhibits of the show were made by:

## W. B. A. Review Plans Anniversary

**Birthday Party Is Held For September Members At The Close Of The Lodge Session**

The Woman's Benefit Association, Review 98, held its regular meeting Friday evening in the I. O. O. F. Hall, East Washington street with Miss Anna Patterson presiding.

Plans were completed for the fortieth anniversary program, which will celebrate the organization of the order, which will be held Friday, October 14. Reviews from Butler, Pulaski, Ellwood City, Monaca, Zeniople and other places will be presented and take part in the program and at this time the monthly birthday party for October members will be held.

When business was over Friday evening a spelling bee created much merriment and prizes were awarded Mrs. Alice Davis and Mrs. Emma McKissick, with Mrs. Rachel Reynolds as the announcer. Mrs. Hattie Nowling and Mrs. Irene Gorley captained the sides.

Mrs. Margaret Hammond and Mrs. Phoebe Earl won the prizes at Japanese ball and the prize of the evening went to Mrs. Albert Turner.

When the social period of games was over an invitation was extended to come to the dining room where the guards of the review served refreshments.

The large birthday cake with its glowing candles was in honor of Mrs. Lydia Pitzer. Mrs. Emma Smith, Mrs. Bertha Patterson and Mrs. Carrie Howells.

The next meeting will be held on the afternoon and evening of October 14, with sessions at 2:30 and 8. Mrs. Phoebe Earl, Mrs. Anna Gillich, Mrs. Alice Davis, Mrs. Florence Davis, Mrs. Emma McKissick, Mrs. Rebecca McKissick, Mrs. Andrews, Mrs. Bertha Patterson, and Mrs. MacDonald will be in charge of the birthday party.

## Engineer's Picnic Held This Afternoon

"So she's not going, after all?"  
"Well, not with my consent."

Peiping claims to be the safest large city of the world. This means as to crimes of violence. It may be so because so few of the population have anything worth stealing.—The Pasadena Post.

## Two Autos Stolen At Football Game

Closing Time Up**

Half-Hour's Advance Affects All Windows; Change On Monday

Effective Monday evening, September 26, the stamp, parcel post and registry windows at the city's post office will close a half hour earlier than heretofore, at 6 o'clock instead of 6:30. Postmaster Lake S. MacNab announced today.

The pressing need for economy in post offices all over the country, and the definite assurance that a considerable saving will be effected here over a year's time by the earlier closing schedule, prompted the change in time.

Postmaster MacNab said that "we don't want to curtail any service that will work a great inconvenience, but we're confident this will not."

A survey of the past four months disclosed that patronage in the last half hour has been unusually light.

## NEW CASTLE TEAM PILES UP SCORE IN SPEEDY EXHIBITION

"Whitey" Nickum Stars As New Castle Takes Second Game On Schedule

Seven Touchdowns For Locals, Blocked Kicks Result In Two Scores

New Castle High's big "Red Hurricane" kicked up an awful dust at Taggart Field last night under the floodlights and when the dirt and smoke had settled it was found New Castle had won the second game on their schedule 50 to 6 topping a dauntless band of McKees Rocks players.

McKees Rocks tallied a touchdown, but it was against a New Castle team composed of second, third and fourth string men. Had Bridenbaugh left first team or for that matter the entire second team in the game, the visitors would not have scored. At the start of the third quarter the first team was removed to save them for the Charleroi game next Friday night.

**Line Impressive.**  
"Whitey" Nickum, the big blonde "Thunderbolt" from the Seventh Ward was again the big star of the game, his running, passing and kicking gave New Castle the impetus that carried them along to their big score. He was ably aided by Uram, Kolodjeski, Lane, Komini and Rambo.  
New Castle's line proved impregnable, with the invaders not earning a first down until after the varsity line had been taken out. Altogether McKees Rocks had nine first downs, made off the second, third and fourth teams in the final quarter of the game. New Castle had 11 first downs the first half, and six the last half for a total of 17.  
The game was a queer one, as several of the touchdowns resulted from blocked kicks, and two of the New Castle points were made as the result of a safety.

**Locals Score Safely.**  
New Castle's first two points was a safety late in the first period when Janik attempted a kick for McKees Rocks from the 5 yard line. Tomaleilo and Thomas blocked the kick and the ball went into the end zone back of the McKees Rocks goal line out of bounds, and gave New Castle two points. The ball was put in play by a kick by McKees Rocks from the 20-yard line.  
The first quarter of the game found McKees Rocks with a fine defense and New Castle slow in starting. The locals had to be content with two points the first period. Nickum and Kolodjeski did a lot of nice gaining, but at the crucial times the McKees Rocks line held well. New Castle began a steady march to the goal line near the close of the quarter.

New Castle had the ball on the 7-yard line at the end of the first quarter and Kolodjeski ran the ball to the 2-yard line on the first play of the second quarter, and then Kolodjeski ran it over for the first touchdown. Nickum kicked the extra-point via placement. New Castle 9, McKees Rocks 0.  
**New Castle Crosses Line.**  
New Castle received after the touchdown. Uram made a first down on two plays. Nickum and Kolodjeski made another first down on the 38-yard line. Nickum was forced out of bounds on the 20-yard line. Uram and Nickum picked up nine yards to the 11 yard line. Kolodjeski made a first down on the 8-yard line, and then Nickum went skimming around end for the second touchdown behind splendid interference, led by the Shillog brothers and Radkowski. Nickum kicked

the extra-point via placement. New Castle 16, McKees Rocks 0.

**Visitors Stopped.**  
Nickum kicked off to Keller of the visiting team and the halfback came back 8-yards before being downed. He was stopped by Kolodjeski. Janik attempted a pass and it was knocked down. Janik made a yard and then kicked to Nickum who fumbled and McKees Rocks got the ball on the New Castle 40-yard line. Mihok recovering for McKees Rocks.

Zop tried to pass to Keller and it was knocked down. Zop got stopped with a loss of 4-yards at center. Duff making the tackle. Janik punted to Uram who fumbled and recovered for New Castle on the 33-yard line. On a double pass Kolodjeski to Uram the locals made 8-yards. Nickum went around end for 18 yards and a first down, taking the ball to the 43-yard line. Lane and Rambo went in for Komini and Uram. Krause for Vogel on the McKees Rocks line.

**Pass For Touchdown.**  
Lane was stopped on his try at the line. Nickum went 8-yards at tackle. Lane made a first down at end. Nickum flipped a pass to Lane which was no good. Lane picked up five yards. Nickum at this point in the game flipped a pass good for 35-yards and it found the waiting arms of Rocco Tomaleilo back of the goal line for a touchdown. Nickum kicked the extra-point via placement. New Castle 23, McKees Rocks 0. Nickum and Tomaleilo got a big hand from the crowd for their fine play.

Falkovich and Pascarella replaced Shillog and Radkowski on the line for New Castle.  
**Unusual Play.**  
At this point in the game one of the most unusual plays of the game occurred, when Nickum kicking off for New Castle booted the pigskin back of the goal posts for a beautiful kick and the McKees Rocks man Keller touched the ball and Freddy Lane ran down like Man O' War fell on the ball and it was touched down number four for New Castle, a fine piece of work on Lane's part, and quite a lapse of memory for Keller. Nickum kicked the extra-point via placement and it was getting to be a habit, he couldn't miss, it seemed. New Castle 30, McKees Rocks 0.

Janik had just enough time left in the quarter to get off a kick and the half ended with New Castle in possession of the ball on the McKees Rocks 65-yard line.

**Nice Play By Duff.**  
At the start of the third quarter New Castle's first team or the starting lineup went back in the game. Nickum kicked off to Keller and he made an eight yard return, being stopped by Radkowski. Spisak made a yard and then Janik tried a punt from the 18-yard line and it was blocked by "Bill" Duff, the big New Castle center, who followed the flight of the ball over the goal line and fell on it for a touchdown. It was a nice piece of work on the part of the husky center. Nickum kicked the extra-point via placement. New Castle 37, McKees Rocks 0.  
Nickum again kicked off and Keller again returned the ball for an eight yard return. New Castle drew a 15-yard penalty. Keller lost a yard. Janik punted to Uram, who made a nice 15-yard return of the ball.

**Uram For Touchdown.**  
McKees Rocks got the ball when a New Castle man fumbled. Janik kicked out of bound on the New Castle 58-yard line. Nickum made one of the longest runs of the game at this point, a 47-yard advance of the ball. Uram made a first down to the one-yard stripe, but New Castle got a penalty of five yards and this brought the ball back to the 6-yard line. Uram took it over on the next play through tackle. Nickum kicked the extra point via placement. New Castle 44, McKees Rocks 0.

Lane and Komini went in the New Castle backfield for Rambo and Kolodjeski. James replaced Nickum.  
**Komini Tallies.**  
DeCarbo kicked off to Keller, who made a 10-yard return. Spisak was stopped by Shillog. Janik kicked to New Castle on the 42-yard line. Humphrey went in for Shillog. Lane at left end raced for a gain of 40 yards and a first down through a broken field. James and Komini combined to give New Castle another first down. James went to the one-foot line on a thrust at center. Komini plunged the ball over for New Castle's final touchdown. Lane tried an end run for the extra point and was stopped. New Castle 50, McKees Rocks 0.

By this time Coach Bridenbaugh was sending in his second and third string players, Pascarella, Howley and Palkovitch replacing Duff, Radkowski and Fred Shillog.  
DeCarbo kicked off to Janik, who was stopped cold. New Castle got a 15-yard penalty. Spisak made a first down for the visitors, the third of the game for McKees Rocks. McKees Rocks had the ball on the New Castle 45-yard line as the third period ended. New Castle 50, McKees Rocks 0.  
**Hrusovich Scores.**  
Zop heaved a pass to Chatman for

a 15-yard gain and another first down. Small and Hitchen replaced Thomas and Tomaleilo for New Castle at the terminals, and both boys got a big hand for the fine game they had played. A McKees Rocks pass, Janik to Spisak, failed to gain. New Castle had their second and third string players on the field at this point in the game. Janik again passed and made eight yards more through tackle and the ball was dangerously close to the goal line. The New Castle second and third team line melted here for a minute and three attempts by McKees Rocks with Spisak and Hrusovich took the ball to the 15-yard stripe. Keller at center made a first down. New Castle was given a 15-yard penalty and then placed the ball directly on the goal line. Zop was stopped on a pileup at center. Spisak was thrown for a three-yard loss. Janik was stopped. A pass was grounded and New Castle with their reserves in the game held the line solid and would not let the Pittsburgh suburban city team score. It was a valiant defense by the reserves. DeCarbo kicked the ball to Illinicki out on the 28-yard line. Hrusovich went out of bounds on the 21-yard line.

Janik carried the ball three yards for a first down. Ridley replaced James for New Castle. McKees Rocks now had the ball on the 10-yard line and bent on a touchdown. New Castle drew a 5-yard penalty and this gave McKees Rocks the ball on the 5-yard line. Spisak made two yards at center. Illinicki ran the ball to the one-foot line and on the next play Hrusovich ran the ball over for the lone McKees Rocks touchdown. Illinicki's try for an extra point via placement was wide. New Castle 50, McKees Rocks 6.

**Subs Get Chance.**  
The New Castle subs began floating in again, with Hileman, Butts, Small and Kneram going to the wars. The fourth quarter was drawing to a close when Butts raced 15 yards to the center of the field for a first down. Butts again made two at center. The game ended with McKees Rocks in possession of the ball in mid-field.

For a green team the Coach McKees combination put up a nice game, but could not match the clever Nickum, Uram, Kolodjeski, Lane, Duff, Tomaleilo and company. McKees Rocks' best showing was made late in the game.  
A summary of the game shows New Castle tried three passes, made good one of them, as against 10 tries by visitors, who made good two of them. In penalties New Castle drew 90 yards, while McKees Rocks drew but 20 yards.

It was the first game for McKees Rocks and the second for New Castle. A crowd of perhaps 2,000 witnessed the game. About every kind of football imaginable was played and kept the fans interested despite the lopsided score.  
The lineups:  
New Castle 50 McKees Rocks 6  
Thomas L. E. Mosiman  
F. Shillog L. T. Vogel

**High School Band Makes Impression**  
The high school band seems imbued at the football games with the winning idea this year. There's a snap and a swing to it that starts your heels bouncing against the concrete. Last year the Maine Stein Song sounded like that well-known Dead March from Saul. This year the band is "on" and your mind goes back to the days when Chicago, Harrisburg and Pittsburgh knew the New Castle high school band as one of the best in the country.  
Director Joe Replogle has a big band this year, about 80 pieces, and they are trained. It is by far the best band turned out in several years, and next week when you go out to the game give the musicians a hand along with the football team. They deserve it.

**Bessemer To Play Sharpsville Today**  
Bessemer and Sharpsville high schools will play football this afternoon at Sharpsville. It will be the second game for Bessemer. They lost last Saturday to a veteran Lowville eleven.

## Gandhi Influence On Grid

Because the weather in the corn-growing district of the Central West is still a little warm for wearing ordinary football harness, these boys of the University of Indiana, at Bloomington, Ind., are having a practice workout in the scant uniform shown. The Hoosier heavyweights were tackling the bucking harness as this photo was made. Line Coach "Butch" Novak (standing) is handing out the orders.

## Duquesne Tops West Virginia

Dukes Hand Setback To Mountaineers When Sullivan Kicks Field Goal

PITTSBURGH, Sept. 24.—"Red" Sullivan's educated toe was responsible for the downing of West Virginia by a fighting band of Duquesne University gridders last night at Forbes field. The score was 3 to 0. It was a football game all the way.

The teams fought on even ground for the first three periods and it began to look like a scoreless game, but Sullivan grabbed a West Virginia pass in the fourth quarter, raced 30 yards and put the ball on the 18-yard line. Two line plays netted four yards and a pass failed, then Sullivan elected to cross up the West Virginia team, and he did with his well executed kick.

Nick DeCarbo of New Castle, former New Castle high star, stole the show by making three out of every four tackles, and almost single-handed DeCarbo stopped one charge of the Mountaineers. He also battered Duquesne several times. "Red" Clacone, another New Castle boy, played a fine game at center for the Dukes.

## Davies-Devlin Battle Monday

Youthful Ohioan Who Now Resides Here Hopes To Upset Cagey Veteran

## FOUR OTHER BOUTS ON FIGHT CALENDAR

Having put in two weeks strenuous training, Willie Davies and Johnny Devlin, rival battlers will taper off today and tomorrow in anticipation of winning Monday night when they feature in a 10 round bout at the Castle Bowl. They are flyweights. The bouts are sponsored by the World War Veterans.  
Davies has fought here often and has yet to stage a draw battle. While he is not now as spectacular as he may have been when trying to cop the flyweight championship he has oodles of stuff. Johnny Devlin is a youngster and is said to be able to hit with either hand. He hopes to upset the veteran.  
Willie has trained at Charleroi and Devlin, who hails from Portsmouth, Ohio, has prepared for the battle here. He has not milled previously in this city but if he can score decisively over the foxy veteran from Charleroi there is no question but that he will not want for hot cakes any winter morning in '32 or '33.

Bill Joyce, hard hitting Jimmie Dime fighter will tackle the veteran Frankie Stellmack of Cleveland in the six round semi-final. Joyce has improved considerably since he battled Johnny Jennings. Stellmack's last appearance in this section resulted in a victory over Lefty Arnold.  
Pee Wee Carney, Portsmouth, O., will tackle Teddy Maneuso, Pittsburgh, Mary Toukamon, Cleveland, will oppose Vito Mangino of New Castle and Homer Gray and Frankie Frey, both of this city, will meet in the preliminaries, the first of which will start at 8:15 p. m., eastern standard time.

## HERE AND THERE IN SPORTS' LAND

**Grove City and Glenville Teachers** will play at Grove City today. Coach Amos will use Alexander and Smith at the halves, Baylor at fullback and Thomas at quarterback. Another quartet which will likely get a chance at these positions is composed of Koma, Gross, Deems and Orris.

**A field goal by Red Sullivan** from the 18-yard line gave Duquesne a 3 to 0 victory over West Virginia at Pittsburgh last night. The kick came after Sullivan had intercepted a pass on the Mountaineers' 48-yard line. He returned the ball 30 yards.

**Two former New Castle boys** played with Duquesne. Nick DeCarbo broke into the game at left guard and Benny Ciccone played center. In fact, Nick was the outstanding star of the game, making three out of every four tackles.

**In the third stanza he stood out** very prominently. Single-handed he threw back the Mountaineer charges, according to reports of the game.

**There'll be plenty of traffic today** to New Wilmington, as Westminster will play their first home game. Slippery Rock Teachers will be their opponents.

**While the Dukes were defeating** West Virginia, Geneva was busy chalking up a 21 to 6 defeat of Davis-Elkins. Aerial play featured Geneva's win. Geneva scored 14 points in the first half and seven points in the third period. Davis-Elkins clicked in the third period when they marched from their own 25-yard line for a touchdown.

## McAuley Stars In Cleveland Game

Regis "Red" McAuley, former New Castle high football star, and a Clevelandan before coming here, gave his home town a thrill last night at the big Cleveland stadium when he quarterbacked for John Carroll and was one of the outstanding stars.

Although he didn't register any touchdowns, he was directly responsible for three of the scores through his accurate passing attack that left the Adrian college team bewildered. It was his first big college game, and McAuley is termed a "find" by Coach Ralph Vince, former W. & J. star. Artale and Shea also played good ball for John Carroll, supporting McAuley.

## Shenango Reserves To Play Washington

Monday afternoon, Sept. 26, on George Washington field, the reserve squad of the Shenango township high school will play the team of the George Washington junior high school. The game will be a chance for Coach Ed. Raney of the Shenango team to see what he has in the way of reserve strength, and will give Coach Carroll's squad plenty of opposition.

**LAWRENCE WINS**  
Lawrence Girls won from Oakland Mermaids 18 to 4 in a mushball game yesterday. The game was played on the Cedar street field.

**Notice!**  
Boxing show, 8:15 E. S. T. Ticket sellers check in Monday morning 9 o'clock at headquarters.

## Peter Plutarch, Dr. Sutcliffe Win

Capture First And Second Divisions Of 2:24 Trot On Local Track

## GRANT NAPOLEON WINS THREE YEAR OLD PACE

Dr. Sutcliffe won the first division 2:24 trot, Peter Plutarch the second division 2:24 trot and Grant Napoleon the three-year-old pace in Friday's races at the local track. One thousand spectators witnessed the grand finale of the harness horse race meet at the New Castle track.

Miss Great won the first heat of the 2:24 trot, being forced by Dr. Sutcliffe, Ruth Richards and Count Volo. The time was 2:15. In the second heat Dr. Sutcliffe, third at the half, headed the field after the third quarter post and won in 2:14, with Count Volo and Ruth Richards second and third.

Ruth Richards forced Alberta Axworthy hard and Dr. Sutcliffe in third place at the half in the third heat. At the third quarter pole he took the lead and was followed across the wire in 2:15 by Alberta Axworthy and Ruth Richards.

Dr. Red drove Dr. Sutcliffe. Peter Plutarch, McMillen driving, finished a sulky ahead of Wanda Guy in 2:13 1-3 in the second division 2:24 trot first heat, while Wanda Guy and Bill Rideout a race for third place in the heat. On the home stretch of the second heat Wanda Guy, with Long driving, forged ahead of Peter Plutarch to win the heat in 2:15. Henry V was third.

The third heat was a beautiful race. Betty Symphonia made Peter Plutarch step every inch of the way to win in 2:16 1/2. Betty Symphonia, with Morris in the sulky, found her stride in the last heat, and on the back stretch found a hole next to the rail and shot to second position, but couldn't beat Peter Plutarch, who won in 2:16 1/2.

McMillen drove Peter Plutarch. Billy I couldn't do better than fifth in the first two heats of the three-year-old pace but found his stride in the last heat, winning in 2:18. Billy I won the heat, being forced hard by Grant Napoleon, pole horse and driven by Walter Johnson, won the first two heats in 2:12 1/2 and 2:15.

Avella Direct and Czarina gave Grant Napoleon a tough time in the first heat, winning second and third places. Czarina landed second in the second heat but Cordy Bancroft beat out Avella Direct. In the last heat, Billy I won the heat, being forced hard by Grant Napoleon, second, and Cordy Bancroft, third.

In the last heat of the three-year-old pace McMillen was dragged for about 100 yards when his sulky broke down. However, as the crowd gasped, he managed to stop his horse and got up from the ground unassisted.

During the day Anna Belle, three-year-old with a record of 2:16, who has made miles in 2:12, being five years old and good manner, was sold at auction on the track. Harry Serene bought the mare.

## Nickum's Toe Sets New Mark

"Whitey" Nickum and his educated toe set what is believed to be a local placement kick record last night at Taggart field against McKees Rocks when he booted six straight kicks after touchdowns for extra points, and that is almost unheard of, in New Castle anyway.

To be truthful, New Castle hasn't had a good extra point kicker for quite a few years, but Nickum is the "find".  
The big blonde seventh ward boy kicked them straight and true last night, and no getting around that. In the Union game he booted two out of three. Not a bad percentage, and that gives him eight out of nine tries, and, well, it's good, that's all.

**ANOTHER BILL IN SIGHT**  
"You have my sympathy, old man." "Why?" "My wife's got a new hat and she's calling on your wife tomorrow."

## Scarazzo And Hillsville Play

Doubleheader Scheduled For Today At Centennial Field

Hillsville, Twilight league team and Scarazzo, Lawrence County champions will play a twin bill this afternoon at Centennial field. The first game will start at two o'clock. Scarazzo defeated Mahoning, Twilight league team in four consecutive games recently.

## Connolly To Play Carroll In Singles

Dan Carroll and Tom Connolly will be singles finalists in the Castle League Tennis Tournament as Carroll last evening won from J. Brincoe 6-3, 6-3. The finals will be played tomorrow afternoon at three o'clock. In the doubles W. Fraley and B. Dess defeated G. Massie and R. Young 2-6, 6-1, 6-3.

There will be two doubles matches tomorrow afternoon. At 1:30 W. Fraley and B. Dess meet F. Dess and H. Levine. At 4:30 p. m. Anderson and D. Tece meet V. Carr and M. Honkosen.

Saturday evening two doubles matches are scheduled. J. Brincoe and B. McWilliams meet Eddie Mc Clymonds and Art Woods at four o'clock. At six p. m. Carroll and Connolly team together to battle Oscar Riley and Allan Morrow.

## MONESSEN DEADLOCKED

Monessen, one of the class AA schools, ran into a tough game yesterday afternoon at Duquesne, Pa., and the best they could do was a 0-0 tie, which doesn't eliminate them from the championship, but it does signify that Monessen cannot be considered. Duquesne is a class A school.

## Shenango High Defeats Alumni

East New Castle Team Plays Brilliant Game Friday Afternoon

## BETTER TEAM WORK SHOWN BY ELEVEN

Another game was slowed in the bag of the Shenango Township high school football team Friday afternoon on Shenango field at East New Castle and the Shenango goal line is still uncrossed. In a game that was a battle every inch of the way Shenango defeated the Alumni 13-0 and in defeating them showed even better team work than it did last week against Zelenopie.

Both touchdowns came as the result of bewildering plays that were executed with speed and precision. In the second period Arnold was given the ball on a double pass that ended in a reverse and with the line breaking down the opposition and the backs screening Arnold he got away, drew the Alumni team out of position and then reversed the field and scored standing up. In the third period a fake double pass sent Scarazzo charging around the right end for a twenty yard run and another touchdown. Arnold kicked the point.

**Line Holds Well**  
While the backfield stood out for spectacular play, a great deal of the reason for its ability to get away was the work of a low charging pile driving line. Most anybody can run if the opposition is moved out of the way and the line moved it out time after time.

Some of the little deficiencies that crept into the game a week ago had been ironed out by Coach Ed. Raney for yesterday's game and the team work seemed smoother. This in spite of the fact that the Alumni team was Tod Brown, a young giant who played with the Duquesne Freshmen a year or so ago and would be nobody's bargain on any football field. His work for the Alumni stood out and time and time again piled up the ball runner and interference after the Alumni line had been cleaned off.

Raney used a number of substitutes in the Alumni game. He didn't want to take any chances of crippling his regulars for the game with Slippery Rock next Friday afternoon on Shenango field, and a lot of the second string men saw service in the last period Arnold was hurt but it was hoped not seriously. The box score and lineup:

**Shenango Two.**  
Polenick L. E. Doyle  
Craig L. T. Leckner  
Kelley L. G. J. Shafik  
Willis L. C. Boston  
Shaffer R. G. McConahy  
Horton R. T. Hoover  
Reznick R. Q. B. Shafik  
Arnold L. H. Cowmeadow  
Lockner R. H. Platt

#### Daniel Morgan—No. 38. Tarleton Trapped

AS TARLETON'S DRAGOONS APPEARED ON THEIR RIGHT, THE CONTINENTALS FELL BACK TO MEET THIS THURST. THE BRITISH INFANTRY, BELIEVING THE AMERICANS WERE IN FULL RETREAT RUSHED BLINDLY AFTER THEM

SUDDENLY HALTING IN THEIR TRACKS AND WHEELING ABOUT AT MORGAN'S COMMAND, THE AMERICANS POURED A CONCENTRED VOLLEY INTO THE DENSE MASS OF REDCOATS WITH DEVASTATING EFFECT.

THE BRITISH RECOILED IN GREAT DISORDER, WHILE THEY WAVERED, THE AMERICAN LIGHT HORSE GALLOPED AROUND THEIR RIGHT FLANK AND CHARGED THEM FROM THE REAR

AT THE SAME TIME THE AMERICAN MILITIA, WHICH HAD MARCHED UNOBSERVED COMPLETELY AROUND THE HILL, DASHED AROUND TARLETON'S LEFT AND FELL UPON THE BRITISH REAR. TARLETON'S WHOLE FORCE WAS SURROUNDED!

### THE GUMPS—SOUP'S ON!

AND I REPEAT—DEAR READER—THAT IF IT IS THE WILL OF THE PEOPLE—I SHOULD BE ELECTED PRESIDENT OF THIS MIGHTY LAND—I PLEDGE MYSELF TO BE YOUR EVER DEVOTED SLAVE—CONFIDENCE—PEACE—SECURITY AND LIBERTY SHALL BE YOUR REWARD FOR YOUR BELIEF IN ME

AND WHILE I'M AGAINST WAR AND WOULD DO ALL IN MY POWER TO PREVENT IT—

IF THE TIME CAME WHEN THE WAR DOGS BARKED AT OUR GATES—AND OUR DEAR COUNTRY WERE IN DIRE PERIL—IN THE LAST EXTREMITY—I WOULD GLADLY BE WILLING TO SACRIFICE MYSELF AND ALL THAT IS DEAR TO ME—

FOR THE LOVE OF MY COUNTRY AND HOME

## Yankee Rookie May Be "Star"

Manager McCarthy May Decide To Give Walter Brown Chance In Series Game

### ROOKIE PITCHER IS EFFECTIVE

By LES CONKLIN  
International News Service Staff Correspondent  
NEW YORK, Sept. 24.—Manager Joe McCarthy of the Yankees remarked some time ago that Walter Brown, the club's man-mountain rookie pitcher, might be his "dark horse" during the world series.

Marse Joe's statement was not taken seriously at the time, but since then the big right-hander has looked like the ace of the staff. In his only three starts, Brown has set down Detroit, Chicago and Boston in order, yielding only three runs in his last 28 innings on the mound. He climaxed the performance by whitewashing the Red Sox yesterday, 3 to 0, allowing seven scattered hits.

The Athletics clinched second place in the junior circuit with an 8 to 4 win over the Senators, and Simmons hit homers, and the A's need only two more to tie the major league mark of 171 in a season. Jimmy Foxg got two hits and took the lead over Dale Alexander of the Red Sox in the race for the league batting championship.

Ferrell Wins 23rd  
With George Uhle yielding only four hits in the opener and Earl Whitehill allowing but three in the nightcap, Detroit romped to two wins over the St. Louis Browns, 6 to 2 and 12 to 0.

Manager Lew Fonseca went to the mound himself and retired three batters in order, but the White Sox lost to Cleveland, 13 to 6. Wes Ferrell hanging up his 23rd triumph of the year.

In the only National league game played, the Cardinals strengthened their hold on sixth place by trimming the Pirates 8 to 4.

## Geneva Defeats Davis-Elkins

Geneva Opens Season With Fine Score Over West Virginia School

BEAVER FALLS, Pa., Sept. 24.—Geneva opened their 1932 football season last night at Reeves stadium, defeating Davis-Elkins, 21 to 6. Geneva tallied touchdowns in the first three periods and were held scoreless in the fourth period. Davis-Elkins tallied their touchdown in the third quarter.

Repsilly scored the first Geneva touchdown and Grahame scored the next two. The game was marred by frequent fumbling and penalties. The famed aerial attack of the Genevians was responsible for victory.

## Radiators Defeat Lockleys, 11 To 5

New Castle Mushball Series Is Now Deadlocked, Deciding Game Next Week

National Radiator mushball team topped the Lockleys, 11 to 5, in the fifth game of the current mushball championship series last night at the Radiator field. The fourth game was a tie. The deciding game will be played at Radiator field on Saturday afternoon, Oct. 1, the time to be announced later.

By winning this game the Rads went into a tie for the series to date. Each team has won two games. The Rads, found the pitching of Mauri in the first and second innings for six runs, Rodgers replacing Mauri in the second inning. Beres kept the Lockley hits well scattered. He issued seven bases on balls, which gave Lockleys two of their runs. Meider was the hitting star of the game, with two doubles and a single. Beres and Stone had homers for the Rads, to feature the game.

Score by innings: R. H. E. Lockleys ... 200 010 11—5 8 2 Radiators ... 153 000 02—11 14 3 Batteries: Lockleys, Mauri, Beres and Young, Rads, Radiators, Beres and Ambrozia. Umpires: Price and Dunn.

## Blake and Preston To Meet In Finals

Thomas Blake and R. L. Preston will meet in the finals of the second 16 of the Field club golf championship tournament. They won this opportunity when Blake defeated W. W. Braham 4 up and 3 to go and Preston defeated M. L. Spangler 3 up and 2 to go. Blake and Preston are expected to put up an exciting contest for the winner's honors in this 16.

## Crisis Protest Claim Of Smiths

Franklin "Frub" Criscl, manager of the Crisis mushball team claims that Smiths, through their manager "Tippy" Richards, have no right to claim the independent mushball title in New Castle, as they are a league team. The series between the Crisis and Smiths was never finished. It stands two to one in favor of Smiths.

## STOCKS Stock Market Trend Upward

Motors, Utilities And Steel Stocks Are Somewhat Higher

### RISE IN CAR LOADINGS SEEN

By LESLIE GOULD  
International News Service Staff Correspondent

NEW YORK, Sept. 24.—With the rails held back by profit-taking on the good news of the accord on the eastern consolidation plan, the bulls rotated leadership to bring a fresh advance into the stock market today.

First the motors were taken, with General Motors and Chrysler appearing in big volume at rising prices. The chemicals went along at the same time. Du Pont rising with General Motors and carrying the group with it.

In the second hour the rotation became more pronounced. There was a flurry in the tobacco. Strength in wheat, which rose nearly two cents a bushel, brought a switch into the farm implement and mail order shares, Case Threshing spurring more than four points.

The utilities also came in for attention at various times during the session. Steels were better, with U. S. Steel rising about two points. American Telephone and Allied Chemical were strong leaders. Ralls were firm despite persistent selling and Baltimore & Ohio was strong in the merger group. The rise in car loadings to the highest level of the year aided the carrier shares.

Trading was only at a moderate pace with turnover exceeding 1,000,000 shares. Closing prices were: U. S. Steel 45½, up ¼; United Aircraft 33½, up ¼; American Telephone 116½, up ¼; Chesapeake & Ohio 26½, up ¼; New York Central 31½, up ¼; Westinghouse 36½, up ¼; American Smelting 21½, up ¼; International Harvester 28½, up ¼; General Motors 18½, unchanged; Union Carbide 29½, up ¼; American and Foreign Power 12½, up ¼; Canadian Pacific 17½, unchanged; Montgomery Ward 15½, up ¼; American Gas 47½, up ¼; General Electric 30½, up ¼; Westinghouse 36½, up ¼; Allied Chemical 83½, up ¼; Du Pont 44½, up ¼; Chrysler 20½, up ¼; Auburn 56½, off ¼; Kennecott 14½, up ¼; Case Threshing 58½, up ¾; Sears-Roebuck 25½, up ¼; Baltimore & Ohio 29½, up ¼; Pennsylvania 14½, up ¼; Atchafalaya 58½, up ¼; Union Pacific 80½, up ¼; Standard Oil of New Jersey 32½, up ¼; Consolidated Gas 63½, up ¼; United Corporation 11½, unchanged; North American 37½, up ¼; Public Service of New Jersey 53, unchanged; Western Union 42½, up ¼.

## Jerseys Switched; Numbers Not Same

Maybe you were one of the confused football fans at Taggart last night. The numbers published by The News of the various players did not correspond at all, not even close, someone said.

Well, and this is no alibi, either—the numbers were not the same on the New Castle jerseys. Here is the reason:

When the McKees Rocks team arrived here New Castle found that they had red jerseys, the same as New Castle, and that would be confusing, and so the obliging Ralph Gardner said: "New Castle will wear their blue jerseys."

And so the numbers on the blue jerseys did not correspond with the numbers printed in The News. Not our fault, but very confusing, and here's offering an apology, if you think one is due, but that was just one of those unforeseen things.

ELLWOOD CITY, Sept. 24.—Monday evening will be the first date of registration for the night school sessions to be held in the Lincoln High school for a period of 30 weeks which will be divided into two semesters.

The night school was authorized by the board at its last regular monthly meeting. The school is to operate on every Monday and Thursday evening from 7 to 9 p. m. each week. The registration fee will be \$2.50 regardless of the number of courses selected with no refund given for good attendance, as last year. It is hoped that the lowered registration fee, coupled with the splendid program, will stimulate registrations.

The night school started last year by the board proved to be very popular with younger and older people of the community. It was arranged by the school board to have the many high school graduates who are unemployed continue their education at very little cost. Expert instruction is provided.

Last year, approximately 200 people took advantage of their night school opportunities. Their reactions were for the most part favorable and their suggestions have done much to improve the situation for this year. The plan this year is to accommodate more than twice this number for as the enrollment increases so also does service to the community.

Nine courses will be offered in the high school sessions here, namely: cabinet making, blue print reading, English and citizenship, book-keeping, shorthand, typewriting, mechanical drawing and advanced shop mathematics.

## Orange Ladies Assemble Friday

ELLWOOD CITY, Sept. 24.—Ladies of the Loyal Orange lodge of Ellwood City held an interesting business meeting in the Schweiger hall last night with 39 present on the occasion.

The highlight of the evening was the old-fashioned singing school as conducted by Mrs. Pearl Brown. Mrs. Susie Parker was the pianist. Following this program and a reading by Mrs. Olive Culp, a period of contests was enjoyed. Prizes for this contest to Mrs. Julia Buquo, Mrs. F. D. Buquo and Mrs. Clair Kettler.

Lunch was served, later by Mrs. Hazel Daugherty and her committee. Mrs. Della Pifer, chairman of the Orange Home committee, requests all past officers to be at her home next Wednesday evening for an important meeting. The next regular meeting of the lodge will be held in two weeks at the same place.

## G. A. R. Ladies Hold Meeting

ELLWOOD CITY, Sept. 24.—The Ladies of the G. A. R. of this city held their regular meeting Friday night in the K. of P. hall on Fourth street with a good attendance present.

The invitation to visit the New Castle circle was accepted by the local lodge at this time. All members wishing to go to the New Brighton circle are requested to meet at the K. of P. hall Monday evening at 5 o'clock.

After lodge an entertainment was presented in charge of Maude Perdue and Myrtle Moon. A luncheon was later served by a committee composed of Annabelle Stroup and Vert Thompson. The next meeting of the organization will be announced later.

## Mrs. Main Will Be Buried Sunday

ELLWOOD CITY, Sept. 24.—The last rites for Mrs. Alex Main who died suddenly Friday morning following an illness of about two hours, will be held from the late home at 408 Franklin avenue, Sunday afternoon at 2:30 P. M.

The Rev. C. P. Christiansen, pastor of the local Trinity Lutheran church will be in charge. He will be assisted by a former pastor here, the Rev. Biesecker. Burial will be made in the North Sewickley cemetery.

**TO LEAVE FOR WEST**  
ELLWOOD CITY, Sept. 24.—Officer Frank W. McDermott of the local police force and Robert Shields of Fifth street are expecting to leave soon for Los Angeles, Calif.

The latter after a short visit there will continue on to Spokane, Washington where he will visit "Wes" Garwig of this city who has been making his home there for some time.

## Religious School Here Needs Funds

Organize Committee To Raise Funds To Continue School In Ellwood

ELLWOOD CITY, Sept. 24.—A campaign for funds to carry on the week day religious school in Ellwood City will take place here on Sunday afternoon, it was announced this morning.

Borough Manager L. W. Monroe has been selected as chairman of the campaign and hopes that there will be a big response to this worthy cause. Funds for this purpose are nearly exhausted and immediate action is necessary.

## Young People Enjoy Outing

ELLWOOD CITY, Sept. 24.—Sixty young people enjoyed an outing held last night at Camp Phillips. Games and contests occupied the attention of those present until 6:30 when a camp supper was served.

After this a treasure hunt under the leadership of Miss Marjorie Streeter, Miss Stella Marshall and Charles Rabberman was held. When the treasure was found all proceeded to the National amphitheater to attend an Indian council around a big fire.

Miss Mildred George was the Indian chief on the occasion. The events of the evening closed with an important worship service in charge of Miss Bernice Porter. The committee in charge of the outing was composed of Miss Rosemary McCandless, Miss Ethel Murphy, Robert Streeter and Robert Stevenson.

## Pedestrian Injured By Machine Friday

ELLWOOD CITY, Sept. 24.—James Martin of Crescent avenue was slightly injured about the hands, head, and knees when he was struck by a machine driven by R. J. Knechtel of Youngstown on the corner of Sixth street and Lawrence avenue about 7:30 last night.

According to the report of the driver turned in at the local police station, he was driving west on Lawrence avenue when a man walked directly in front of his car from the curb. A fender struck and knocked him down before he could stop the car. Martin was rushed to an office of a nearby physician where his bruises were dressed.

## Friendship Circle Class Enjoys Tea

ELLWOOD CITY, Sept. 24.—Members of the Friendship Circle class of the M. E. church assembled at the home of Mrs. H. H. Reynolds on Sixth street last night for their customary monthly tea and social evening. Twenty-four were present to enjoy the affair.

A nice sum towards the building fund was realized from the affair. Mrs. Louanna Johnson and Mrs. Catherine Johnson were associate hostesses on the occasion. The next meeting will be held on the first Monday in October.

## A. M. L. Members Meet On Friday

ELLWOOD CITY, Sept. 24.—Mrs. J. G. Ferguson was hostess to the members of the A. M. L. club at her home on Fourth street last night. Mrs. David Williams and Mrs. Victor Grove were special guests on the occasion.

Bridge was the principal pastime of the evening with two tables in play at the conclusion of which the hostess served a delectable menu at one table beautifully adorned with fall flowers.

Mrs. Charles Markwort invited the club to meet at her home on Wayne avenue in two weeks.

# Workings Of Alien Smuggling Ring Are Unfolded By Probe

By PAUL C. YATES  
International News Service Staff  
Correspondent

WASHINGTON, Sept. 24.—Reports on the seizure of the Cuban Sloop Julio off the Florida Keys were awaited by Department of Labor officials as they planned a final drive against a huge alien smuggling ring which has been virtually broken up.

The Julio was taken in tow by the Coastguard Cutter Woodbury, at the request of immigration authorities. Members of its mutinous crew were questioned regarding the alien smuggling racket which was flourished in southern states.

**Doak Directing**  
Secretary of Labor William N. Doak is personally directing the Labor department's drive against the ring, as revealed exclusively by International News Service.

The coastguard is cooperating in this work.

Capt. L. C. Covell, assistant commandant of the coastguard, revealed that "fabulous profits have been made by the alien smugglers."

"The usual charge for transporting an alien illegally into the United States and dumping him at a point near the coast or the international boundary is \$500," the captain declared.

**Is Money Maker**  
"One hurried night trip in a five-passenger plane nets the smuggler-pilot \$2500. What other cargo, except narcotics, could equal human cargo as a revenue producer to the smuggler?"

The Labor department, the assistant coastguard commandant stated, is confronted by a tremendous difficult problem in breaking the new air traffic in aliens.

"It is almost impossible to apprehend the members of these serial smuggling gangs unless the authorities are tipped off in advance of a landing," he pointed out.

**Leaves No Trail**  
"A plane can be dropped to earth, its human cargo unloaded and its flight resumed in a couple of minutes. It leaves no trail."

"I became familiar with alien

smuggling operations when I was in command of the coastguard base at San Pedro, Calif. The task facing immigration authorities has grown more and more vexing as the speed and cruising power of air-planes increased and landing fields were multiplied.

"Many have been smuggled by plane almost into the heart of Los Angeles. One of the recent developments is to debark the aliens in the desert country along the southwestern border and work them northward by underground railway."

## ROAMING

With Richards

Some News, Some Views, But Mostly Just Observations Of Interesting Things Around New Castle.

There was a day once, that football scouts were forced to attend games wearing long white beards and a set of ear muffs. The beard was for protection and the ear muffs was to keep from hearing what fans said about football scouts who tried to steal signals and get diagrams of plays.

Things have changed now. You can scout an opposition team today and even work your way into the ball park free. The coaches see that you get a good seat and then ask you how you liked the game. For scouting, just between us customers, is the bunk.

A good team is a good team and all the scouting in the world against it isn't going to tie the fleet half back's feet or give the other team any idea how hard the tackles can hit. And so last night when a nice looking young man came in to scout for Charleroi, he was treated well.

He was given a seat in the press box where he could see everything and now he will go back to Charleroi and tell Steve Stephanian just what he saw. And having received this information the said Mr. Stephanian will continue drilling his charges against next week's game when they come to New Castle.

If there was any reason for scouting, there would exist the same reason for hiding a lot of stuff and certainly Mister Bridenbaugh wouldn't have given McKees Rocks everything in the bag. To repeat, scouting is the bunk, and what do you think about it?

Fred Hyde is one of the habitués of the football stadium during season. He not only sees all the games, he sees almost all the practices. Between times he looks around for something new, on the field. He found it a day or so ago, a covey of quail, with about 10 of the plump birds in the covey.

Now if some one would just drop a little feed out around there occasionally, the birds could be fattened up for the Thanksgiving game and the team given a quail dinner before they went home to work out on the turkey.

All of us are interested in a vicarious way in the health of Mrs. William E. Borah, wife of the United States senator from Idaho. It is interesting to know that her physician in the treatment of the parrot fever she has contracted, was a classmate and close friend of Dr. P. J. Brice of this city when they attended Jefferson Medical School in Philadelphia.

And thus far nobody has found an old copy of Moonlight on the Slippery Rock and the request sent in to this department is impossible of filling. One fellow has threatened to write one with the same name, but what we want is the old timer under the original name.

Had a guest in the press box last night who brought a shoe box full of lunch with him, consisting of grapes and apples. They weren't going to fool this chap, he knew the game would be a long one and didn't want to pass out of starvation.

East Washington street seems to be about ready for the cold widening. The depressions in the street are fixed, the poles are set back, and it won't be long until you can really pass a street car on the proper side.

## Financial Panic Is Thing Of Past

Recoveries In Bonds And Certain Stocks Renew Optimism For Business Increase

(International News Service)  
CLEVELAND, Sept. 24.—Recoveries in bonds and certain stocks during the past few months have definitely ended the financial panic and renewed optimism has entered general business conditions.

This was the hopeful information that had been relayed Friday to members of the Federal Reserve Banking and Industrial Committee at its regular September session which was addressed by Colonel Leonard P. Ayres.

Citing numerous quotations on stocks and bonds that showed increases of anywhere from four to 200 per cent, Ayres declared that "these recoveries mark definitely the end of the financial panic. The business depression is still with us but the best evidence that the fall is being turned is the fall in increases now being reported in many kinds of business."

"There was no fall increase in 1930 or 1931, but this year we have evidence that the fall recovery is starting. We see it in retail trade, in railroad carloadings, in textiles, shoes, even in iron and steel. We are starting on the upside."

## Says Hoover Will Carry New York

(International News Service)  
WASHINGTON, Sept. 24.—Former Senator William M. Calder of Brooklyn, told President Hoover Friday that New York would be in the Republican column this November "beyond a shadow of a doubt."

"I make this statement after a careful survey of the situation, and particularly of conditions in New York City," Calder said. "Hoover and the rabbit show. There were I am sure he will hold the Democratic majority there down to 350,000 or even 450,000. By doing this we will take the state surely."

## Fair Concludes Friday Night

This Year's Exhibition Regarded As Most Successful Of Years

IDEAL WEATHER WAS GREAT AID

Friday night witnessed the close of the most successful fair held in many years by the New Castle Fair association. Perfect weather conditions, excellent exhibits in all lines, fast harness horse races and the Flying X rodeo made a combination that could not be beaten, in spite of business conditions that were not the most auspicious.

Attendance Friday afternoon and evening ran into several thousand and the attendance for the three days was excellent. Due to the earnest endeavors of the management of the fair to operate the fair on a strict business basis, there is every indication that the fair association will find itself on the right side of the ledger for this year, although not to any great extent.

With the success of this year—for the fair fans generally expressed themselves pleased with the entire event—the association should be able to look forward with enthusiasm to another year, when conditions will warrant better financial results for the big fair.

Another pleasing feature of the fair Friday as on every other day of the big event, was the fact that everything passed off without any serious mishap or trouble.

The members of Troop F, who policed the grounds, did an excellent job and not only had the crowd in good shape at all times, but met with the assistance of the crowds at all times in carrying out the necessary orders of the association and the needs of the occasion.

Two of the features of the fair that interested many of the people were the pigeon and poultry exhibits and the rabbit show. There were large numbers of entries in each of these exhibits, showing that the Lawrence county residents are up on these things as well as in other lines.

One of the big winners in the chicken and pigeon exhibits was Earl Patton of Butler avenue, who had 15 different varieties entered. He won first prize in the Silver Spangled Hamburgs. He also won first awards on his pens of White King, Racing Homers and Belgian Carneau pigeons.

## Paulette Goddard Denies Engagement To Charlie Chaplin

Beautiful 19-Year-Old Platinum Blonde Admits There Is No Engagement

By MARGARET LANE  
International News Service Staff  
Correspondent

NEW YORK, Sept. 24.—So it all comes out at last. Miss Paulette Goddard, the 19-year-old platinum blonde who arrived in New York from Hollywood Thursday, refusing with coy reticence either to affirm or deny that she was engaged to Charlie Chaplin, admitted Friday that the answer was not really, "Yes, no, well . . .," but an uncompromising "No!"

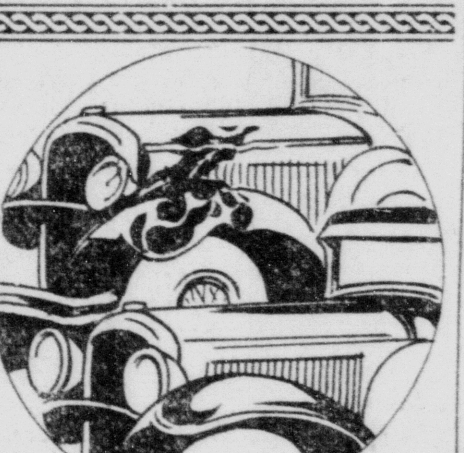

It was really not her fault, Chaplin, who as she explained in the intervals of having her photograph taken in pajamas, "is an absolute recluse" was seen going places with the blonde Miss Goddard, and when he kissed her goodbye as she boarded a plane. "Everybody had to start this stupid cupid stuff."

Miss Goddard continued the "I neither affirm or deny" policy until today, when, dressed in brilliant green pajamas, and accompanied by her youthful-looking mother, also in brilliant green, she was interviewed on this delicate matter.

"I don't wish to say anything about it," she said at first. "No, there will be no engagement announced. No, nor any denial either. Why? Oh, because . . . because there simply isn't anything to deny. Well, if you like, I will deny it now. There is no question of my being engaged to Mr. Chaplin."
